

# Pinkerton Academy Cross Country Fall 1997

"teammates for  
a season..."

"friends for  
a lifetime."

a letter from the coach.

There are many who will look at our season and call it a year of rebuilding. In many ways, we were starting from the beginning and learning our sport from scratch. It took energy and effort to push ourselves through the miles of training and hours of workouts needed to become competitive. We paid our dues with many early season setbacks and some hard losses. We also saw our efforts produce results, as we had a late season surge and finished as a strong, respected team.

But rebuilding goes far beyond the running.

We learned the level of commitment needed to achieve any desired goal. We came together as a team, and relied on each other to make seemingly impossible runs possible. We learned about the traditions and spirit of our team. We carried on those traditions and started some of our own. More important than what we got done - we learned how to get things done.

Look back on your season and be proud. Enjoy each day of it and remember the best of our days this fall. I hope this booklet will not only remind you of the times we ran, but also of the times we shared.

Ted Carey, Coach

# Twenty-Third Season Of Girls' Cross Country at Pinkerton Academy

**August 18th:** Our first practice is best described as our first meeting, as only six of the twenty-seven candidates are returning runners. Our team would eventually be twenty-one runners strong, including 15 first year runners and eight freshmen.

*(This was our largest team since the 1993 season. It also was the largest group of freshmen since that same year. While we were welcoming all our new members, we were also learning that veteran Sarah Pelarske would not be running with us this season, due to a summer injury.)*

**August 29th:** It seems that before we even know each others names, we face our first competition at the Annual Alumnae Meet. A hardy group of dedicated runners brave the rain and wind and show us the true meaning of the words "you're best running is yet to come!", as the Alumnae sweep the first three places to win the meet. Deborah Smith '87 wins the meet for the first time, after running the meet in each year since graduating.

*(The alumnae top seven would average 25 years old, and would include Amy Kruschwitz Tarnowski '85, who had just had her first baby six weeks before the race! Brenda Richards time from our last home meet versus Keene would have easily won today's meet!)*

**September 6th:** In a season of many firsts for the team, we make our first trip to Maine to run in the Blue Lobster Invitational. Although no team scores are kept, we make our mark by placing medallists in each division. Allison Nichols leads three Pinkerton Runners into the Junior/Senior Top Twenty. Brenda Richard and Amelia Shields both place in the Top Ten in the Sophomore Race. Jen Saucier earns her first high school win, leading five Astro Runners in the Top Ten in the Freshmen Race.

**September 9th:** We open our league schedule with a trip to Merrimack. Nashua has little trouble with either team, as we take a split by beating Merrimack. For eight of us, it's our first 5K cross county meet ever.

*(We would eventually come back to beat Nashua twice late in the season, including the Class L Meet.)*

**September 13th:** After missing a year, we return to Oyster River to run in the Bobcat Invitational. We begin to earn our reputation as a young team learning the sport with our performances. Led by meet winner Brenda Richards, the JV team takes the Meet Championship. Our Varsity struggles early in the season, and manages only a sixth place finish, our worst showing ever in the Bobcat.

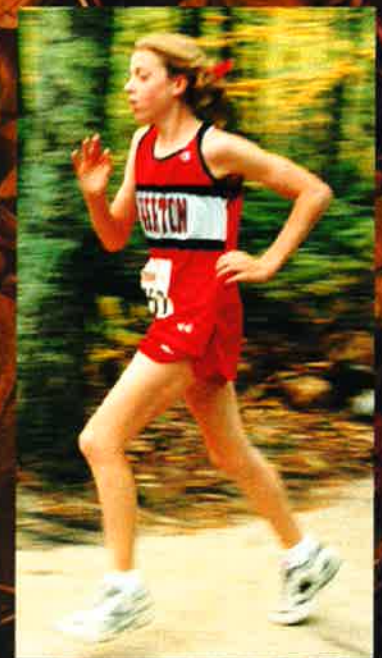

*(Although Guertin and Salem beat us today by 46 and 41 points respectively, by the Class L Meet, we would close the gap to 6 and 4 points!)*

**September 20th:** We run in the largest and most competitive meet of the year, as we enter all three divisions of the 23rd Coca-Cola Manchester Invitational. Jen Saucier, Justyna Zajac and Kelly Corbett all earn medals as they lead the Freshmen Team to a Fourth Place Finish. Running alone in the JV Division in her first meet, Christine Anthony goes down on the course between the hills and does not finish. Our Varsity team again finds itself overwhelmed, as we take eighteenth in the large school division. It is our worst finish ever at the Manchester Invite.

*(Christine Anthony would return to Derryfield as part of the varsity team that competed in the Class L.)*

**September 27th:** After a visit from the junior high schools the day before, beautiful weather greets us as we make a trip to Salem for a dual meet. We start to see some results of our early season training, as each of us sets a personal record today. Salem still shows their strength by sweeping the meet, while we earn a split by beating Alvirne. Our record stands at 2-2.

*(Although the score is not close, a large group of five Astro Runners finishes just behind Salem's Number Five. These Five Runners would form the heart of our varsity team that would eventually enjoy late season success!)*

**October 4th:** For the third year in a row, we host the Mack Plaque Races with Londonderry. Although we take advantage of the hard competition and the large crowd on hand to run our best races so far, we find ourselves outmatched by a strong and experienced Londonderry Team. Only Jen Saucier's fourth place finish prevents the shutout, as the Londonderry girls clinch the Mack Plaque for the Lancers.

*(Jen Saucier's time would be the second fastest ever run by a Pinkerton Freshmen on her home course. The freshmen record holder, Andrea O'Connell '89, was on hand to watch Jen's efforts. Jen Smith would set a personal record for a 5K today, on what would be her last race on the home course. )*

**October 7th:** In a meet we seem very unprepared for, we take pounding from Bishop Guertin and get shut out by Concord, 15-50. It is the first 15-50 shut out in the history of our team.

*(We would take some time over the next few days to re-focus and re-dedicate ourselves to our team and our tasks at hand. We would make sure that, while we may be finishing the season with a losing record, we wouldn't finish with a losing attitude!! The next three meets would see us perform at a higher level of running!!)*

**October 9th:** On a day scheduled for light running, we travel to Hood Middle School and watch the home team beat Windham and Salem in a tight meet. As we watch the pride the Hood runners take in their running and the way the runners enjoyed the meet, we are reminded ourselves why we run. It's a feeling that stays with us right through the post season.

**October 10th:** We take advantage of a day off to make a trip to Derryfield and practice on the state course. The practice is the toughest we'll run this year, but everyone makes it through. After the practice, we lunch at Poor Boy's, knowing that the next time we run at Derryfield, the course will be ours!!

**October 14th:** We finish our regular season by hosting Keene. The score doesn't reveal how close the meet truly was. Jenn Saucier is able to run with Sarah McChineirt throughout the race, finishing just six seconds behind one of the best in the state. Justyna Zajac, Brenda Richard and Christine Anthony finish just seconds behind Keene's Number Three and Four. Christina Mick, Mary Hill, Amelia Shields and Allison Nichols also run strong for us, as we place eight runners under the twenty two minute mark for the first time this season.

*(The meet was even closer than the score sheet suggests, as Liz Stokinger, who finished fifth for us, was disqualified in the final 400 m of the race. Although it took us the season, we had built ourselves into a truly competitive team, ready for the post season.)*

**October 17th-18th:** The Championship season begins as we run two individuals in the JV State Meet. Captain Jen Smith finishes her four years of cross country running by setting a personal record for the Derryfield course on Friday.. Jess Nesbitt also sets her personal best for the course. The next morning, twelve of us are in uniform to run in the Catholic Memorial Invitational held on the world class course in Boston. Sarah Hagen and Kirsten Sederquest take Top Ten Medals, while Kelly Corbett, Liz Stokinger and Adelle Barnett all finish in the Top 50, as our Freshmen Team finishes Second in the Meet. In a strong display of depth, all seven of our Varsity Runners come in under 22:00, as we take home the Third Place trophy in the Large School Division.

*(Although it was the first year we did not field a scoring team at the JV State Meet, it was the first time we fielded a scoring team for the Freshmen race in Boston)*

**October 25th:** The first of three cold, raining weekends greets us for the Class L Championships. There is no doubt we run our races the way we planned, as we drive our team to the edge of qualifying for the Meet of Champions. Jennifer Saucier leads the way, earring All-Class Honors with a 13th place finish. Justyna Zajac fights off the entire Guertin Team to take 37th. Brenda Richard, Christine Anthony and Mary Hill Make sure all our scoring runners finish in the Class Top Fifty. We finish just 4 points behind Guertin Team that all but shut us out just two weeks earlier, and only six points out of fifth place.

**November 1st - 8th:** Jennifer Saucier keeps Pinkerton Pride alive into the cold days of November, taking a medal at the Meet of Champions and qualifying to run in the New England Championships. She is never alone, as a large number of us stay active and running to the end of the season.

 *Pinkerton*   
PRIDE,  
and the 1997  
Season Stride

  
Written by Allison Nichols  
Published by Cross-Country Team Inc.  
Derry, NH 1997  
 

We entered the locker room on the first day,  
We mingled to hear what the other had to say.  
Though some faces were familiar and some were not,  
There was a satisfying feeling we'd like each other a lot.

Many freshman to seniors came out for the team,  
Our captains had an amazing way of making us gleam.  
After a week we chose our captains, Jen and Mary,  
To top off the cake, our leader, we call "Coach Carey"!

The season rolled on and we learned about each other,  
Like that Jason, from the boys team, is Liz's brother.

Speaking of boys, who are they with?

Oh, naturally, Jen Smith.

**Every practice she worked so hard her shoes were skiddin',**

**Of course, this gal is Danielle Hidden.**

**Never before has there been a girl with more will,**

**She ran her heart out to become the great, Mary Hill.**

**Christine Anthony, at the gun would quickly leave,**

**She performed awesome, when the poor girl could breathe.**

**An asset in every way to our team was Steph,**

**She'll be back, after she's done dealing with the basketball ref.**

**It was a shame this season was lost by Sara Pelarske,**

**But, next year she'll be back with a new running knee.**

**Kristin's cheering voice could be heard from afar,**

**Her encouraging words made the runners feel like a star.**

**We all know the girl named Christina Mick,  
We also know she is one cool chick!  
Brenda is the bad team captain for next year,  
Her disguise is a mask that makes her look dear.**

**Jess would only rap for a selected few,  
We did get to see the crazy other things she'd do.  
Her entire little body was snug in a locker,  
She was also definitely a talker.**

**Sarah Rutigliano gave so much support to us all,  
Hopefully she'll be running come next fall.  
In the weight room, Amelia would show off her tummy,  
At every meet you would see her supporting mummy.**

**Adele, oh Adele, you impressed us all,  
You helped Sara Hagen up when she would fall.  
Justina was a comic and everyones friend,  
As she spoke Polish, we tried to comprehend.**

**I don't believe Stacy missed a single meet,  
she cheered for us all until the day was complete.  
Though Jen will graduate, leaving the boys behind,  
Kelly Corbett keeps her famous boy tactics in mind.**

**Kirstin would wear her hair pulled back and pinned,  
She often replied to the name, "Seder-wind"!  
Then there is me, and I love you all,  
I wish I could come back to run next fall.**

**Good things don't always last,  
But they are always there to see in your past.  
Take these memories to make you smile,  
Use them when running any mile...**
