A (late) letter from the coach,

It was a short one week off between cross country and our winter seasons. All too soon, we were all off in different directions, taking care of all the things that were neglected during our fall season and starting in on new projects for the winter season. Of course, it meant we all waited a little longer than usual for this booklet to be put together (thank you all for your patience!). I hope it brings back the best memories of our fall together.

It's hard not to reflect on our team's history as we finish our 25th season of girls cross country. Each year, each team builds on what's already in place, as tradition joins tradition. The most common comment I hear from alumnae who come back and watch our team is how familiar it all is to them, but how much has been added since they left. They are very proud of what they left behind and very happy there is always a new group ready to accomplish even more.

One of our new traditions this season was our "Top 10 Reasons We Run". Of course, you all filled the white board with hundreds of reason why we work so hard and sacrifice so much. Some of it has to do with running goals, and those successes are documented in the back sections of this booklet. But what was very obvious from all of you was the *real* reason we run, and that will be found in the faces in the front of this book.

A special thanks goes to all our graduating seniors. You leave behind so much. I hope you take as much with you wherever you go.

Thank you all for another great season of cross country.

With love,
Your devoted coach.

More 25th Year Celebration.

One of our projects for the teams 25th season was to pick an all-time team. Originally, we were going to limit it to seven. Then nine. Then twelve. We gave up when we just couldn't bring it any lower than twenty-five!! Here's the rough draft list from last fall. Consider it a nomination list and a summer homework project: to dig through the team records and web site and choose the final twelve!

Pinkerton Academy Girls Cross Country 25th Season All-Time Team

Chelsea Henderson '02

While it may be a difficult choice to make cuts to the team above, there's no controversy about our team's most distinguished runner and coach:

Runner of the Quarter Decade: Cindy Collins '80

Coach: Pat Nelson Hicks '75-'81

Even More 25th Year Celebration.

Another one of our projects was to see if we could determine who holds the team's records on different courses around the state. At 15 years and counting, our own course is the oldest still in continuous use. So only runners from the last ten years or so will show up on this list of active courses. Still, here's what we were able to find:
