## SEASON HIGHLIGHTS

Once again, Pinkerton Academy had a fine outdoor track season. Our record of 8 wins and 3 losses is one we can be proud of. Our three losses came at the hands of three of the top four teams in the state, according to the class L meet results.

We were involved in one of the more bizarre track meets I've witnessed in my twenty three years in track and field. Yes, I'm referring to Nashua High School. We had not defeated Nashua in fifteen years. The meet came down to the 4X4 relay. The relay was run in complete darkness. Even though we lost, I would bet it was one of our fastest relay times of the year. I really can't tell you because I couldn't see my watch.

Another pressure packed meet was against Merrimack. Again, it came down to the relay. The relay team ran a P.R. and won handily. Two meets down to the relay in one season is something else.

One more point I would like to stress about our meet with Merrimack. Of the fifty six members of our track team, thirty three had personal best that day! That is an extraordinary feat.

I must also mention that our traditional Hanover track meet/barbaque went well. This tradition will continue next year.

We finished a respectable eighth in the Class L Meet. We had a few great performances from some of our key members. Our team was an excellent dual meet team. We just didn't have the big guns to compete on a state meet level.

For the first time in the history of the Academy, we hosted the State Meet of Champions. It was a huge success. A great sideline to the meet was the fact that we raised enough money to buy a video camera for the boys and girls track teams. This will be a fantastic teaching tool in the years to come.

In the beginning of the season, I was hoping for a winning record. We far exceeded that goal. I hope that all of you are as happy with the way the season went as I am. The future looks bright as the quality of the boys track continues to rise at P.A.

Thank you for your dedication and hard work all season.

Coach Walter Roberts
