SEASON SUMMARY

We opened up the season at Keene. We beat the Blackbirds handily. We didn't fare so well against Merrimack. It was a fairly disappointing effort on our part. Then Milford and Nashua visited our domain. Milford, which is about to drop down one class, wasn't much competition. Nashua was a dog fight. For the second year in a row, we took them to the 4 X 4 relay. Regretable, even though we ran our best time to date, we got beat. Some days the sun shines on you, some days it rains.

During our vacation, we traveled to the seacoast. Although Winnacunnet and Oyster River were not real competitive, we had a number of P.R.'s, and we were able to kick some butt. Next we ran into a buzz-saw at Salem. Although the coaching staff expected a battle to the end, Salem had one of their best performances of the year, and really put it to us.

We next traveled to Portsmouth for the relays. We had some great performances and proved our overall team depth by placing second at this invitational. This was a great showing by the team!

Now we come to the infamous triple-double Londonderry, Alvirne, Bishop Guertin meet. Great praise must be given to our managers for scoring this meet. This type of meet will never happen again. It was a scoring nightmare. The meet itself, was also hard to swallow. The Londonderry meet came down to the relay. Again, we set a new season record, tying the school record, but still losing the 4 X 4 to Londonderry. A real tough loss to take. Alvirne also beat us by one point. This was not totally unexpected, it just showed us how tough our division is.

The last three dual meets of the season were cakewalks. Trinity, West and Concord are going through rebuilding seasons. This doesn't take away from our performances. People gave great efforts and the results were the evidence of that. It is fun to kick some butt.

The Hanover Invitational went well. Even though the temperature hit 96, and there was some complaining, people performed well and our 4 X 1 team had their best showing of the year. Also the cheeseburgers were great.

One of the highlights of the season was the Salem Kiwanis Invitational Track Meet for freshmen and sophomores. We knew we had a good collection of talent in these grade levels. However, to win a meet like this, and score 96 points to boot, that's incredible!

This win gives our team a great outlook for the next few years.
Remember: You are all under contract!

Payback time came at the State Meet. We had a great day as a team. This was P.A.'s best finish in fifteen years. We beat three teams, who had defeated us during the regular season. Third place in the State is quite an accomplishment. The team should be very proud of itself.

This was very much a roller coaster ride. We didn't do as well as we would have liked during the dual meet season. However, in the big onvitational type meets, we did outstanding! A third in the State Meet, second in the Clipper Relays, and a big win in the Kiwanis Meet is a job well done. It was a successful season and the future looks bright.
