TRAILBLAZERS

To My Trailblazers:

It probably goes without saying that 2020 will go down as one of the most heartbreaking seasons ever. And none of this was our fault. We trained hard for and during the season, ran great races, and came together as a team. Unfortunately, competing during a worldwide pandemic prevented us from finishing our season. We were undefeated, and I have no doubt that we would have competed for a championship. We will have to use that as fuel for the fire as we prepare for the 2021 season. We have so much talent on our team, and we are only going to get better. So while we're disappointed with the unceremonious and premature end to our season, we have a lot to be proud of and still take lots of wonderful memories with us.

To Coach Bernard (Joyce):

Thanks for your unflagging support as we did our best to navigate these uncharted waters. You never failed to bring unique solutions to the myriad challenges we faced this year. Your friendship, energy, and positive attitude helped us face this most challenging season and maximize our performance despite all the challenges.

To Our Seniors:

Molly, Molly, and Tess. Undoubtedly, the 2020 season and its premature conclusion left you with a sense of emptiness, and likely wishing we could have had a more traditional end to our season. I only hope that you can reflect on the entirety of your time on the team because you've been a part of so much awesomeness during your tenure. You should be proud of all you have accomplished and contributed to the Trailblazers during your time on the team. Though you are graduating, remember you will always be a Trailblazer.

To our Underclassmen:

We are hungry. We know how much talent we have on this team. We won every meet we ran in 2020. We have a lot of potential. Our pack is strong. The question is, are we going to train hard this summer to put ourselves in position to be back on top? If we do, we should compete for a Championship in 2021.

Yours in running,

Coach Alizio
