# New coaches prepared to lead PA track teams

Preview by  
Dan Ryan

The Pinkerton Academy winter track teams, led by two new coaches, will begin the 1979-80 season this weekend at the University of New Hampshire, Durham.

Coached by Glenn Listerneck, the boys team will open the season Saturday at 10 a.m. with a meet against Salem, Manchester West and Somersworth.

Kathy O'Connell, who led the girls' soccer team to a 7-7 record in its first year of competition this past fall, will coach the girls' team, which opens its season tomorrow at 4 p.m. against Concord, Manchester Central and Oyster River.

The strong point of the girls team, led by captain Cindy Collins, is the distance events. But O'Connell said she feels there is "much

promising potential in the sprints and field events."

The Astros participated in a scrimmage meet recently and, though no scores were kept, the meet gave some of Pinkerton's younger athletes a chance to compete before their season opener.

In the meet, O'Connell also got to see how much progress the team has made so far and gave her a chance to find out the details "that have to be worked on."

Pinkerton competed against strong teams from Haverhill and Methuen, Mass., and O'Connell said she was "pleased." She added that Collins and Karyn Tomaini "did well" in the two miles, as did Lynn Wentworth in the mile.

Freshmen Patti Salter and Karyn Flynn "looked promising" in the 50-yard dash, and Debbie Wade had a good meet, competing in the hurdles and the high jump.

"We have a small group (25 team members) but a group with potential," O'Connell said in assessing her team. "They know they have to continue to work hard if we are to be successful."

Others O'Connell will be counting on this season are Cheryl Chadwick and Julie Lavalee (300 yard dash), Cindy Pike and Julie Webster (long jump), Jennie Hanlon and Jan Hastings (shot put), Mary Beth Latham (600 yard dash), Cindy Ross (1000 yard run), and Patty Lamarche (60 yard dash).

The boys' track coach, Glenn Listerneck, comes to Pinkerton from Lynnfield, (Mass.) High School, where he coached winter and spring track for two years.

Listernick graduated from Boston University where he majored in education. He attended Lynnfield High, where he ran track while he was a student.

The new coach has chosen senior Willie Ross and junior Jim Davis as captains. Listerneck sees the distance events as the team's strongest, with several members of the 9-3 record cross-country team running this winter.

Those runners competing in the distance events (one mile, two mile, 1000 yards) include Ross, Dustin Colburn, Kevin Coyle, Andrew Young, Scott Smith, Jim Deneau, Mike Newton, Steve Bousquet, Curtis Meuse and Brian Nase.

# PA girls track team unbeaten

Despite seven first place finishes by Exeter, the Pinkerton girls' winter track team put together another strong team effort to win its third meet of the season.

The Astro win came on the strength of a total of 19 second, third and fourth place finishes. Pinkerton finished with 53½ points, Exeter took second with 44 points and Manchester West had 20½. Manchester Memorial finished fourth with two points.

Pinkerton did come away with two first place finishes. Senior captain Cindy Collins won the two-mile with a time of 11:36. In the hurdles, Debbie Wade ran her best time of the year, 9.5 seconds, to win.

The relay race saw two of the best teams in the state, Pinkerton and Exeter, going against each other for the first time. Despite finishing with their best time of the season (4:31.2), the Astros took second to the Blue Hawks, who have recorded the best time in the state this year.

Pinkerton coach Kathy O'Connell described as "encouraging" the team's performance in events she didn't think the Astros would place in.

Both Julie Lavalée (second) and Cindy Pike (third) placed in the long jump, both improving on their best jumps of the season.

Running in the 60-yard dash for the first time this year was Lynn Wentworth, who finished third in that event.

Altogether Pinkerton finished second in 10 events. The second place finishers are Karyn Tomaini two mile (11:33.6) Julie Lavalée, long jump (14' 2½"); Jen Hanlon, shot put (28' 11"); Cheryl Chadwick, hurdles (9.9 seconds) and 300 yard dash (41.7 seconds); Debbie Wade, high jump (4' 6"); Lynn Wentworth, 1,000 yard run (2:56.1); Mary Beth Latham, 600 yard dash (1:35.8); Cindy Collins, one mile (5:31.4); and the relay team of Chadwick, Wade, Sharon Ahern and Wentworth.

Taking third place for Pinkerton were Cindy Pike, long jump; Lynn Wentworth, 60 yard dash;

Julie Lavalée, high jump; Latham, 300 yard run; and Karyn Tomaini in the mile.

Fourth place finishers for the Astros were Mary Sheridan in the two mile; Julie Webster in the high jump; Sharon Ahern in the 1,000 yard run; and Lavalée in the 300 yard run.

Coach O'Connell described the win as another "total team effort", as "the enthusiasm and spirit for each other continues to be great."

"Whether a girl places or not, her teammates are there to congratulate her on a job well done," O'Connell said, adding, "I hope they continue to be this enthusiastic. It's great!"

The Astros put their 8-0 record on the line tomorrow at 4 p.m. at the University of New Hampshire. Pinkerton will oppose Winnacunnet, Somersworth and undefeated Portsmouth. O'Connell said she feels Portsmouth "will be our toughest competition yet."

# 'Star-spangled' girls' track team wins finale

Derry News 7 February 2024

Report by  
Dan Ryan

Durham - There is an old expression in sports that the star performer in an event "did everything except sing the national anthem."

Well, the Pinkerton girls' track team put on a "star" performance and sang the national anthem Friday night, easily taking first for the sixth time in seven meets.

The Astros closed their season with a 19-1 mark, winning with a total of 53 points Friday. Dover took second with 35 points, followed by Concord (24) and Memorial (six).

Early in the meet, it looked as if it would be close, but Pinkerton swept all four places in the mile to clinch the win.

Cindy Collins took first in the mile with a time of 5:25.2, followed by Beth Latham (5:42.30). Karyn Tomaini took third and Sharon Ahern fourth in the mile.

Overall, Pinkerton had six first place finishers. In addition to Collins' win in the mile, Karyn Tomaini won the two mile (11:49.9), Debbie Wade won the hurdles (9.5), Sharon Ahern took first in the 1000 (3:02.4), Beth Latham won the 600 yard run (1:34.8) and Julie Lavallee took first in the long jump (13' 10").

Second place finishers for the Astros were Mary Sheridan (two mile, 12:07.9), Mary Latham (mile, 5:42.3) and the mile relay team of Patti Salter, Patti Lamarche, Diane Cameron and Karin Flynn (4:54.5).

Jennie Hanlon had her best performance in the shot put (32' 4½") to take third in that event. Also taking

third from Pinkerton were Diane Cameron (2 mile), Debbie Wade (high jump), Patti Salter (300 yard dash) and Karyn Tomaini (mile).

Taking fourth were Patti Lamarche (hurdles), Patti Salter (60 yard dash), Diane Cameron (1000) and Sharon Ahern (mile).

Pinkerton's Cheryl Chadwick fell in the hurdles and sustained a badly bruised hip. Initially, the main concern was an ankle injury, but after ice was applied, the ankle was not sore Saturday morning. As for the hopes of her running in the state meet Thursday, coach Kathy O'Connell said "we're keeping our fingers crossed".

If Chadwick can run, Pinkerton will be represented by eleven girls at the state meet today at UNH (6:30). Six of the Astros qualified in two events.

Running in two events tonight will be Cindy Collins (two mile and mile), Karyn Tomaini (two mile and mile), Lynn Wentworth (1000 and mile), Beth Latham (600 and mile), Sharon Ahern (1000 and relay) and Chadwick (300 and relay).

Others who have qualified for the state meet are Mary Sheridan (two mile), Jennie Hanlon (shot put), Patti Salter (60 yard dash) and Debbie Wade and Julie Lavallee (both in the relay).

The top six finishers in each event will qualify for the Tri-State meet to be held at Dartmouth College in Hanover on February 23.

nell said she is hoping that her team "has had its share of the flu (which, according to most coaches, is hitting everyone) and will be ready to give it our best shot."

O'Connell added that she and assistant Betty Shepard are "very pleased" with this year's squad.

"We had one of the smaller groups to compete but learned that quality

outweighed quantity. The girls gave their all and we are proud of them."

In addition to the girls already mentioned, members of the team this year included Cindy Pike, Jan Hastings, Missy Wentworth, Julie Webster, Helen Meister, Heidi Hueber, Karen Davis, Karen Gitlitz, Carlene Barden and Brenda Gosse-lin.

The Astros this year had only one senior (Collins) and five juniors, with the rest being sophomores and freshmen.

# PA girls track, hoop win big

## Sports Scene

...Track team beats 'the bug'

...Hoop team ups record to 10-3

The Pinkerton girls' track team took on Nashua High and the bug last Friday and overcame both.

The Astros, with three of their top performers hindered by illness, came out on top in a four team meet, which saw Pinkerton outscore Nashua 47-45 for the win. Spaulding finished a distant third with 19 points, followed by Salem with nine points.

Senior captain Cindy Collins had missed two days of practice with a cold, and was still feeling the after effects Friday, but still managed to win the two mile (11:53). Cheryl Chadwick was in a similar situation, having missed Thursday's practice, but still recorded her best times in the 60 yard dash, hurdles and 300 yard dash.

Karyn Tomaini, the team's number two distance runner, was ill the day of the meet, and managed to compete in only the 1,000 yard run before being scratched out in the mile.

With these three runners not 100 percent, Pinkerton coach Kathy O'Connell went into the meet hoping for a second place finish at best but, as she said, "It was a meet run on sheer desire."

"The kids who felt 100 percent gave 110 percent, and those who were not up to par gave all they had," she added.

The outcome of the meet was eventually to be decided in the final event the mile relay. Pinkerton

trilled by one going into that event, after Nashua had defeated Spaulding in a 'jump-off' in the high jump.

The Astros were confident of their ability to win the relay, and win they did by ten seconds.

What followed was a "mob scene" at the finish line, as the Astros celebrated their narrow two point victory.

With the team plagued by sickness, there were "two girls who kept us in the meet" - Lynn Wentworth and Mary Sheridan. Wentworth won the 1,000 and the mile, while Sheridan, a freshman, finished second in the two mile and third in the mile. Sheridan's time of 11:58.6 in the two mile was 24 seconds better than her previous best time.

In addition to the first place finished by Collins (two mile, 11:53) and Wentworth (2:57.4 in the 1,000 and 5:42.1 in the mile), Pinkerton won two other events.

The relay team of Chadwick, Sharon Ahern, Debbie Wade and Mary Beth Latham, as mentioned won their event. The finishing time was 4:31.6. Latham won the 600 yard run with a time of 1:36.3, her best performance yet.

Others who had their best time of the season are Chadwick (hurdles, 8:2, 300 yard run, 40.9, and 60 yard dash 7.9) and Jennifer Hanlon (shot put, 29' 11").

The Astros' next meet is tomorrow at 6:30 p.m. at UNH against Exeter, Winnacunnet, and Concord. O'Connell expects this meet to be "another tough one."

Report by Dan Ryan

If the snow forced you to stay away from the Pinkerton gym Tuesday, you may want to know how the game between the Pinkerton and Spaulding girls basketball teams was.

It was, in a word, dull. Pinkerton won, 53-23 in an off night. The game got off to a slow start, with both teams unable to score for the first three and one half minutes.

And, as if the action wasn't already too much for the crowd to take, Pinkerton scored the first seven points, putting the game out of reach early with a 9-3 first quarter lead.

The Astros just kept pulling away. The Astros scored 28 second half points while holding Spaulding to nine for the easy, almost too easy, win. Several of the Pinkerton second half points came on fast breaks, or on rebounds of missed lay-ups.

Jolene Doran was high scorer for Pinkerton, putting in 21 points, including the first seven for Pinkerton. Crystal Jackson followed with six points, as Pinkerton's scoring was very evenly distributed.

One of the keys to Pinkerton's winning streak, now at seven games, has been the improvement of Doran, who Astros' coach Linda Rovce said

# Astro girls fourth

Report by  
Dan Ryan

Durham - Despite missing two team members because of the flu, the Pinkerton girls' track team gave it their best shot last Thursday and took fourth in the state meet at Durham.

Portsmouth won the meet with 74 points, while Oyster River had 60 points and Exeter had 56. Pinkerton had 49.

Pinkerton was without Jen Hanlon (shot put) and Karyn Tomaini (mile, two mile), who were both out with the flu.

The Astros who did make it to the race, though, did extremely well, most of them better than expected.

Cindy Collins was the Astros' only first place finisher. Collins, the only senior on this team, won both the two mile and mile. Her time of 11:19.5 was only one and a half seconds away from the state record, which is held by Collins.

Also in the two mile, Pinkerton was pleasantly surprised when freshman Mary Sheridan took fourth (12:00). Going into the meet, Sheridan, according to coach Kathy O'Connell, was hoping for a sixth place finish, but "ran well" for fourth place.

Beth Latham finished with her best time in the 600 yard run (1:32.4) to take second in that event. Latham was seeded eighth overall and second in

her heat (which she won easily). O'Connell described Latham's second place finish as "exceptional".

Lynn Wentworth, running in a fast heat and against tough competition, took sixth in the 1000 with a time of 2:53.9.

The relay team of Cheryl Chadwick, Patti Salter, Julie Lavaliee and Sharon Ahern took third, running the best time of the season by a Pinkerton relay team (4:25.0).

Collins, Latham, Sheridan, Wentworth and the relay team all qualified for the Tri-State meet (February 23, 4 p.m., at Dartmouth) by finishing in the top six in their event. Though the Astros didn't have any other runners in the top six, two other Pinkerton girls did qualify for the Tri-State meet.

Sharon Ahern (1000) and Cheryl Chadwick (300 yard dash) each took seventh in their event, but qualified. This came about because some girls qualified in two events, which were scheduled too close together to allow for them to compete in both.

The Astros could possibly have had two more representatives at Dartmouth but, because they could not compete Thursday, Tomaini and Hanlon could not qualify. As O'Connell said, "Both girls worked hard all season and deserved a better fate than the flu."

# Eleven Astros in Tri-State Meet

Report by  
Dan Ryan

Eleven members of the Pinkerton Academy winter track teams will travel to Hanover this Saturday to compete in the Tri-State meet at Dartmouth

The meet will start at 4 p m

There will be three members from the boys' track team at Dartmouth Saturday and eight from the girls' team

Leading the trio from the boys' team will be senior co-captain Willie Ross. Ross set a school record in the two-mile two weeks ago (9:42.5) and is

noted for his performance in important meets

Jim Fitzgibbons, who holds the school record in the high jump (6'), will compete in both the high jump and the long jump

Fitzgibbons had a disappointing showing in the state meet, but still qualified in both events. In that meet, Fitzgibbons took fourth in the high jump and sixth in the long jump

The third representative from the boys' team is junior co-captain Jim Davis. Davis will be running in the 300-yard dash on Saturday. He took fifth in that event in the state meet to qualify for the Tri-State Meet

Eight members of the girls team will compete Saturday

Leading the way will be senior captain Cindy Collins. Collins is the state champion in both the mile and two mile

Joining Collins in the two-mile will be freshman Mary Sheridan, who finished fourth in the state meet, in which she was expected to finish only sixth

Junior Beth Latham ran her best time of the season in the 600 yard run at the state meet (1:32.4). Prior to that race, Latham had been seeded eighth

## Girls track third

# Collins wins Tri-State two mile

Cindy Collins has again staked a claim as one of the best, if not the best, female high school distance runners in the state.

Collins added to her many accomplishments last Saturday, taking first in the two-mile run in the Tri-State meet at Dartmouth. The meet featured runners from Vermont, New Hampshire and Maine.

In leading her team to a third place finish, Collins, the only senior on the Astros, set a new Tri-State record in the two mile. Collins' time of 11:24.7 bettered her previous record time of 12:13.

And, while Collins set the record, she wasn't the only Astro to surpass the previous record time. Mary Sheridan, a freshman who has steadily improved her times through the cross-country and winter track seasons, took third in the two mile with a time of 11:59.9.

It was the second time this year that Sheridan has broken the 12 minute mark in the two mile.

The two mile was not the only event in which the Astros placed high. Beth Latham continued to excel in the 600, taking second. She also took second in the state meet, in which she was seeded eighth.

Pinkerton also had runners place high in the 1000 yard run. Lynn Wentworth and Sharon Ahern emerged from a heat of 12 runners to place third and fourth, respectively.

Wentworth's finishing time was 2:53.4, while Ahern had a time of 2:53.8 for her best time. In the crowded heat they ran in, two girls fell down and, according to Astros coach Kathy O'Connell, there was a lot of "boxing out."

The relay team of Cheryl Chadwick, Patti Salter, Julie Lavalley and Beth Latham finished seventh, but ran its best time (4:23.9) of the season.

The boys' team had three members at the Tri-State meet Saturday. Jim Davis (300 yard dash) and Willie Ross (two mile) both ran well, but did not place.

Jim Fitzgibbons competed in both the high jump and long jump, and placed sixth in the high jump with a jump of six feet.

The Tri-State meet was the last meet of the season for the Astros.

FLU vs. Hanlon and Tomaini            flu wins

school, it's just a matter of them coming out. WE BEG NO ONE. We don't need anyone doing us a favor, only if they really want to run but your encouragement could be helpful.

...and lastly, now you know what I am like. I am not patient, sometimes, rude and crude—generally just "groovy" !!!!! and only joking! Seriously, when a girl gives her team 100% at practice and in competition, whatever the sport may be, she has won my respect and admiration as I know that she is a rare commodity. There isn't much I wouldn't do for her. I hope you all realize that I always had your best interests at heart. I just am not one to want to put my time into helping someone who isn't willing to help herself and her teammates.

I thank Ms. Shepard for her time and effort. I hope you all realize that if she had not decided to assist us that there probably wouldn't have been a team this winter never mind a successful one.

A captain can make or break a team. We were quite fortunate to have Cindy Collins at the helm. We all recognize her as the best high school runner in the state but more importantly, as a very fine young lady, an exceptional leader and captain. I thank Cindy for putting forth 110% in this her last year "at the academy!"

Have a good spring and keep yourself busy...don't veg, watch soaps and get fat...do something. You know where you can find me if I can help you out at all...don't hesitate to get in touch.

*Ms. O'Connell*
