# Astro Track:

## Distance runners lead boys

Over 50 athletes turned out for the first Pinkerton boys' winter track at practice this year, and hopes are that the wins come just as abundantly.

The Pinkerton boys' winter track team, led by second-year coach Glenn Listernick, begins its season Saturday at the University of New Hampshire Field house.

Pinkerton, hoping to improve on its 12-8 record (third in Class L Meet) of last year, will start off this season in a 1 p m meet against Salem, West, Londonderry and Somersworth.

Listernick looks for Salem and Londonderry to be the toughest chal-

lenge for the Astros Saturday. He also feels that the Astros must do three things to win Saturday: score highly in distance events, have "about five" first place finishes, and have enough depth to pick up other scoring places besides first.

Of course, if they can do that in every meet the Astros would be very hard to beat.

Pinkerton's strong point seems to be its distance team, with sophomores Kevin Coyle and Curtis Meuse leading the way. Other distance runners are Mike Newton, Bill Mallilleu, Mark and Barry Uicker, and freshman Frank Kallonitas.

Listernick also has a strong team of sprinters, including Al Levesque, Jeff Kelly and Bob DiResto, all sophomores and freshmen John Silvestro and Dana DiLorenzo.

Class L champ Jim Fitzgibbons will be leading Pinkerton jumpers with Andy Kling, Keith Bradley and Jim Daneau also helping out.

Pinkerton's big question mark is in the shot-put department. Mark Mullikan, who Listernick said "should place in every meet" is the only Astro with experience in that event.

Pinkerton's relay team will be made up of Fitzgibbons, Joe Kimball, Kling, Daneau and Mallilleu.

## O'Connell: PA young, but talented

Led by eight athletes who qualified for the state meet last year, Pinkerton's girls' track team will begin its season tomorrow night at the University of New Hampshire (UNH) Field house.

While the Astros have eight state-meet qualifiers returning, they also have 11 freshmen.

Co-captains on this year's team will be senior Janice Hastings (shot put and mile) and Cheryl Chadwick (hurdles and 300).

Pinkerton competed in a scrimmage Saturday at Methuen, in which no points, totals or places were kept. Chadwick, though, tied the Methuen record in the hurdles with a time of 40.6 seconds.

Leading Pinkerton's shot putters this

year will be junior Jen Hanlon, who qualified for the state meet last year. Others who qualified last year are Karyn Tomaini (two mile), Mary Sheridan (two mile), Lynn Wentworth (1,000 and mile), Chadwick (300), Patti Salter (dash) and Beth Latham.

Patti and Joanne Salter will be counted on by coach Kathy O'Connell to lead Astro sprinters, along with freshman Sherri Hughes.

In the 600, O'Connell looks for Karen Flynn to lead the way, as she does for Lynn Wentworth in the 1,000.

Pinkerton has a strong distance team (mile and two mile), headed by Tomaini, Mary Sheridan, Dianne Cameron and

Sue Perry.

O'Connell sees her team as young but talented, "with a good attitude. The girls are willing to listen and learn and are working hard."

Pinkerton will be without 600 meter and mile runner Beth Latham and Heather Langton (300, 600), both recovering from operations, for the first couple of meets.

In tomorrow's meet at UNH, the Astros face Concord, Central and Oyster River. The meet starts at 4 p m.

Among the freshmen O'Connell is hoping will improve from meet-to-meet, Sherri Gragg, Cathy DeSimone, Sherry Nicolaisen and Kathy Smith.

*In season opener...*

# Astro girls' track wins by 17 points

Durham — After the Pinkerton girls' track team took the first three places in the hurdles in Friday night's season opener, it was lights out — in more ways than one.

Pinkerton all but clinched a win in the meet by taking the first three spots in the hurdles. If their opponents couldn't see what they were in for then, they got a clue when the lights at the University of New Hampshire field house went out.

Lights out, indeed.

The lights were turned back on in time for the Astros to win the meet with 54½ points. Manchester Central followed with 37½ points, while Oyster River had 20 points and Concord had six.

Two Astros were double winners in the meet, the first of the season for Pinkerton.

Cheryl Chadwick won both the 300 meter dash and the 55 meter hurdles. The win in the 300 was a bit unusual for Chadwick.

Because of the metric measurements, this year's sprints are longer. Chadwick did not see the finish line and stopped short. Her lead was big enough to allow her to start running again and still win, with a time of 45.2 seconds.

Chadwick's time in the 55 meter hurdles was 9.5 seconds.

Karyn Tomaini, who coach Kathy O'Connell said "has been working very hard" this winter, easily won both the 3,000 meter and 1,500 meter runs, with times of 10:53.7 and 5:14.9.

Tomaini had some help from her teammates in both events. Sophomore Mary Sheridan finished second in the 3,000 with a time of 11:11. Karyn Flynn took third in the 1,500 with a time of 5:59.

Pinkerton also didn't do too badly in the hurdles taking the first three places. Chadwick took first, while Allison Rackley took second, and Margaret Consalvi took third.

Freshman Sherri Hughes won the 55 meter dash in 7.4 seconds and took second in the long jump (15' 2"). Pinkerton's relay team of Chadwick, Patti and Joan Salter and Lynn Wentworth also won with a time of 4:33.

Other Astros who scored in the meet were freshman Cindy Button (second, high jump), Lynn Wentworth (second, 1,000), Jen Hanlon (third, shot put and high jump), and freshman Joanne Slater (third, 300).

Pinkerton's next meet is Friday (10 a.m.) at UNH against Dover and Winnacunnet. The Astros will be minus 10-12 team members because of Christmas vacation.

## Pinkerton girls in 1st track victory

The Pinkerton Academy girls track team opened its season with a win yesterday at the University of New Hampshire.

Pinkerton rolled up 54½ points against runnerup Manchester Central's 37½. Oyster River followed with 20 and Concord had 6.

Pinkerton had two double winners. Cheryl Chadwick captured the 300-meter run in 45.2 and the 55-meter hurdles in 9.5. Karen Tomaini won the 3000-meter run in 10:53 and the 1500-meter run in 5:15. Sherri Hughes also had a first place taking the 55-meter dash in 7.4. She also finished second in the long jump.

The mile relay team of Chadwick, Patti and Joanne Salter and Lynn Wentworth

finished first with a clocking of 4:33.

Finishing second for Pinkerton were Wentworth, 1000 meters; Cindy Button, high jump; Mary Sheridan, 3000 meters and Alison Rackley, 55-meter hurdles.

Pinkerton will run again next Friday against Raymond and Dover at UNH at 10 in the morning.

# Flu doesn't bug PA girls' track, Astros win

They set a school record for most points scored but they almost didn't even make it to the meet.

Pinkerton Academy's girls' winter track team, with 84 points, easily beat Winnacunnet (18 points) and Dover (14) Friday night at UNH, putting their record at 5-0.

The Astros went into the meet having to overcome being without half the team, as well as coach Kathy O'Connell, because of either holiday plans or, as in O'Connell's case, the flu.

Pinkerton cross-country coach Pat Hicks took the team to UNH and assistant coach Betty Shepard took time off from a vacation in Maine, and the team rewarded them with an easy victory.

The Astros took first place in ten of the 11 events.

Senior co-captain Cheryl Chadwick won two events for the second week in a row - the 300 (45.1 seconds) and the hurdles (9.4 seconds).

Junior Beth Latham also took two first places, winning the 1000 (3:24) and the 600 (1:53.8). In the only event the Astros did not win, the high jump, they took second and third.

Senior Karyn Tomaini won the 3000-meter race for the second week in a row, with a time of 10:55.7. Sophomore Mary Sheridan won the 1500 with a time of 5:18.6.

Pinkerton's mile relay team of Chadwick, Dianne Cameron, Sherri Hughes and Latham rounded out the distance event sweep, winning with a time of 4:45.

Hughes, a freshman, won the 55 meter dash for the second week in a row. Her time was 7.5. Jen

Hanlon took the shot out with a mark of 9.54 meters.

Both Lynne Doran and Hughes leaped 4.53 meters to win the long jump.

Second place finishers for Pinkerton were Doran (300), Allison Rackley (hurdles), Hanlon, (high jump), Tomaini (1000) and Cameron (600).

Taking third were Cameron (3000), Sherri Gragg (high jump), Loralynn Miller (1000), Hanlon (600) and Jan Hastings (1500). Also scoring, in fourth place, were Missy Wentworth (300), Doran (hurdles) and Heather Jewitt (1500).

Because of the switch to metrics, state qualifying standards have not been set yet, but will be announced January 9.

On Friday morning at 10, the Astros face Memorial, West and Exeter at the UNH field house.

## Pinkerton girls stay unbeaten in track

The Pinkerton Academy girls track team remained perfect on the season as they posted a runaway victory over Winnacunnet and Dover in a tri-meet yesterday at UNH.

By virtue of their 84 points, with Winnacunnet managing 18 and Dover 14, the Astros ran their record to 5-0.

Cheryl Chadwick, Beth Latham and Sherry Hughes won two events apiece for Pinkerton, while five other individuals posted wins as well.

Chadwick won the 300 in 45.1 and the 55-meter hurdles in 9.4, while Latham took the 1,000 meters in 3:24 and the 600 in 1:53.8, and Hughes took the 55-meters in 7.5 and tied for first in the long jump with a leap of 4.53 kg.

Other winners were Karen Tomaini in the 3,000 (10:55.7), Mary Sheridan in the 1500 (5:18.6), Jen Hanlon in the shot put (9.54 kg) and Lynne Doran, who tied with Hughes in the long jump.

The Pinkerton relay team of Chadwick, Diane Cameron, Hughes and Latham also took first.

Seconds were taken by Doran in the

300, Sheridan in the 3,000, Hanlon in the high jump, Tomaini in the 1,000, Allison Rackley in the hurdles and Cameron in the 600.

Pinkerton goes up against Exeter West and Memorial Friday morning at 10 a.m. at UNH.

# PA girls are on track

For the Pinkerton girls' winter track team, setting team records is getting to be a habit.

On December 26, the Astros scored a team-record 84 points. That record didn't last for long, though. Pinkerton scored 85 points in remaining unbeaten last Friday.

The closest anyone could get to the Astros was Exeter, with 38 points. West had 36 and Manchester Memorial had 11. The win puts the Astros' record at 8-0.

Senior Cheryl Chadwick recorded the best time in the state in the 300-meter race, with a time of 44.1 seconds. Chadwick has won that event in all three meets this year.

Also for the third straight week, Chadwick won the hurdles, with a time of 9.2 seconds.

Freshman Sherri Hughes remained unbeaten in the 55-meter dash, winning that event with a time of 7.5 seconds.

Hughes also took second in the 300 (45.6) and fourth in the long jump.

In addition to Hughes and Chadwick, other winners for the Astros were Beth Latham (3000, 11:06.8), Jen Hanlon (shot put, 9.22 meters) and Karyn Tomaini (1000, 3:17.2).

Tomaini took second in the 1500 with a time of 5:14.5. Along with Hughes and Tomaini, Astros who finished second were Mary Sheridan (3000, 11:12.4) and Lynne Doran (long jump, 4.5 meters).

Pinkerton had seven third-place finishers. Patti Salter took third in both the 300 and the 55 meter dash. Cindy Button took third in the high jump, as did Lynn Wentworth (1000), Beth Latham (800), Mary Sheridan (1500) and the relay team of Sherri Gragg, Button, Cathy DeSimone, and Patti LaMarche.

DeSimone and Gragg tied for fourth in the high jump. Joanne Salter took fourth in the 300, giving the Astros a sweep in that event.

Other Astros who took fourth Friday were Dianne Cameron (3000) Allison Rackley (hurdles), Jan Hastings (shot put) and Hughes (long jump).

# Astro girls remain unbeaten in track

Pinkerton Academy's unbeaten girls track team ran away from the rest of the field yesterday at UNH in Durham, N.H.

The Astros (8-0) rolled up 85 points with Exeter a distant second with 38. Manchester West was next in line with 36 and Manchester Memorial ended with 11.

The next two meets will put the unbeaten Astros to the real test. Tomorrow at 4 p.m., Pinkerton faces Winnacunnet and unbeaten Portsmouth at the University of New Hampshire field house.

A week from tomorrow, also at 4 p.m., the Astros face another unbeaten team, Nashua, as well as Spaulding and Salem.

# Portsmouth clips PA winter track teams

Pinkerton Academy's girls' winter track team was unable to overcome the Portsmouth Clippers' depth last Friday and was beaten for the first time this season.

Portsmouth had 74 points to Pinkerton's 43. Winnacunnet was also in the meet, but was not a factor, amassing a grand total of one point.

For the second week in a row, Pinkerton was not at full strength, with three Astros missing because of illness. Runners Karyn Tomaini and Beth Latham were both out, as was Jen Hanlon, the top PA competitor in the shot put.

There was some good news for the Astros, now 9-1. The state qualifying standards were announced and nine Astros have qualified in at least one event.

Two of the Astros have qualified for three events each. They are Karyn Tomaini (3000, 1500, 1000) and Lynn Wentworth (1500, 1000 and 600).

Three Astros will be in two events each. Senior Cheryl Chadwick has qualified in the 300 meter dash and hurdles, while Sherri Huges, a freshman, has qualified in the 300 and 55 meter dash. Sophomore Mary Sheridan has qualified in the 3000 and the 1500.

Other Astros who have equaled or bettered qualifying standards are Latham (3000), Heather Langton (600), Lynne Doran (long jump) and Jen Hanlon (shot put).

In Friday's loss to Portsmouth, Mary Sheridan had her best times in two events and won both. Sheridan took first in the 3000 (11:01) and the 1500 (5:17).

Huges won the 55 meter dash (7.4 seconds) to remain unbeaten in that event. This week Huges will be up

against Spaulding's Robin Worthley, also a 7.4 sprinter.

Pinkerton's only other first-place finish was by Chadwick in the 300 (44.3). Chadwick also took second in the hurdles with her best time (8.9 seconds).

Others who took second were Jan Hastings (shot put) and the relay team of Consalvi, Cindy Button, Allison Rackley and Langton. Langton also ran the 600 for the first time this year and took third, while qualifying for the state meet.

Lynn Wentworth took third in the 1500 while Sue Perry took third in the 1000 and Dianne Cameron was third in the 3000.

Tomorrow at 4 p.m. at the UNH field house, Pinkerton has another tough meet, facing undefeated Nashua, along with Salem and Spaulding.

jump, Bill Mallillieu was second in the 1000, and Ed Kizer was second in the 300.

Dustin Colburn had Pinkerton's only third place finish, in the 1000.

Fourth-place finishers for the Astros were Curtis Meuse (3000), Mark Mullikan (shot put), Ed Kizer (55 meter), Jim Fitzgibbons (300), Jim Daneau (600) and Kevin Coyle (1500).

The Class L meet qualifying

standards have been announced. Pinkerton's qualifiers reflect the Astros' strengths this year - the distance running and Fitzgibbons.

Fitzgibbons has qualified in the high jump, long jump and hurdles. Keith Bradley also qualified in the high jump.

Bill Mallillieu (1500, 1000) and Kevin Coyle (3000 and 1500) each qualified in two events. Others who have so far qualified for the Class L

meet are Dustin Colburn (1000), Curtis Meuse (3000) and Mike Newton (3000).

This Saturday, the competition will again be tough, with the Astros facing Nashua, Concord and Merrimack Valley.

"We will need a super effort to even finish second", coach Glenn Listernick said of the meet.

Pinkerton's record is now 10-3.

# Winter Track: Pinkerton teams take second-place

Both Pinkerton Academy winter track teams placed second in their meets at the University of New Hampshire this past weekend.

On Friday, the PA girls were beaten for the second week in a row, this time by Nashua. The Panthers had 73 points to Pinkerton's 53. Spaulding had 27 points and Salem had 19.

On Saturday morning, Concord scored 64 points to Pinkerton's 45. Merrimack Valley had nine points.

In the girls' meet, senior Cheryl Chadwick won the 300, and has the best time in the state in that event.

Mary Sheridan continued to make up for the absence of distance runner Karyn Tomaini the last couple of weeks. Sheridan, a sophomore, won the 3000 (11:12) and 1000 (3:21) meter races.

Pinkerton's relay team also took first-place, with a time of 4:28.6. That was the second best time recorded at UNH. The team was made up of Chadwick, Patti Salter, Beth Latham and Sherri Hughes.

Freshman Sherri Hughes continued to be a stand-out in the 55-meter dash, taking second Friday. Hughes' time of 7.3 seconds was actually equal to that of winner Robiz Worthley, but the Spaulding sprinter edged her out at the finish.

Others who took second for Pinkerton were Sheridan (1500), Latham (3000) and Chadwick (hurdles).

Hughes took third in the 300, as did Latham in the 1500.

Fourth place finishers were Dianne Cameron (3000), Patti LaMarche (hurdles) and Patti Salter

(300). Karen Flynn took fifth in the 1500.

Salter's time of 45.3 in the 300 qualified her for the state meet. She will be among 10 Astros at the meet.

Jen Hanlon (shot put) and Lynne Doran (long jump) both suffered sprained ankles. Hanlon is expected to be back next week, though Doran's status for the state meet, February 6, is questionable.

The Astros face Exeter, Concord and Winnacunnet at 8:30 p.m. tomorrow.

First-place finishes by Jim Fitzgibbons, Kevin Coyle and Keith Bradley led the boys' track team to a second-place finish Saturday.

Others who scored for the Astros were Curtis Meuse, Mark and Barry Uicker, Mark Mullikan, Dustin Colburn, Jim Daneau and Steve Bousquet.

# PA track

## team takes

# first place

Pinkerton's girls' winter track team got back into the habit of winning meets last Friday, taking first in a four-team meet at the University of New Hampshire.

It was the first meet in awhile in which the Astros have been reasonably close to full-strength, and PA won easily with 91 points to Exeter's 45. Concord had 24 points and Winnacunnet had 10.

Senior Cheryl Chadwick and freshman Sherri Hughes continued to be the big winners for the Astros. Chadwick had her best time of the season (43.7 seconds) while winning the 300 meter dash.

Chadwick also won the hurdles, with a time of 8.9 seconds. Hughes won the 55 meter dash with a super time of 7.3 seconds.

Hughes and Chadwick combined with Patti Salter and Heather Langton for a first-place finish in the mile-relay. Pinkerton's time of 4:24.6 was only one-tenth of a second behind the time recorded by Portsmouth.

Pinkerton had two other first-place finishers - Beth Latham (1500 meters, 5:16.3) and Jen Hanlon (shot put, 30'4½").

Latham's time in the 1500, as well as a second-place in the 600, qualified her for the state meet in both events. Others who qualified for the state meet Friday were Allison Rackley (hurdles) and Hughes (long jump).

Hughes took second in both the long jump and the 300 Friday, with her best performances of the year in both events. Rackley also had her best time in the hurdles (9.5 seconds).

Others who took second for Pinkerton were Mary Sheridan (3000 meter, 10:57.8, her best time), Patti Salter (55 meter dash, 7.9 seconds) and Lynn Wentworth (1000, 3:27.2).

Karyn Tomaini returned to the competition with a third place finish in the 3000. Others who took third for PA were Heather Langton (long jump and 600), Dianne Cameron (1000) and Patti Salter (300).

Pinkerton was without state qualifier Lynne Doran, who injured her ankle last week and is out the rest of the season. Doran had qualified in the long jump.

The state meet is February 6, at the UNH Field House, and Pinkerton will be well represented.

Cheryl Chadwick was a double winner as the Pinkerton Academy girls track team raised its record to 14-2 with a win in a meet held last night at UNH.

Pinkerton meets Timberlane, Concord, Spaulding and Londonderry Friday at 6:30 p.m. at UNH.

# Astro girls' track ends with win, state meet is tomorrow

Twelve members of the Pinkerton girls' winter track team will travel to the University of New Hampshire field house tomorrow for the state meet, scheduled to start at 6:30 p.m.

The Astros ended another highly successful season last Friday with a convincing win. Pinkerton had 77 points, while Timberlane had 46, Spaulding had 27, Concord had 14 and Londonderry had eight.

With seven first-place finishes out of 11 events Friday, Pinkerton ended its season with an 18-2 record. The Astros' only losses came at the hands of Nashua and Portsmouth, considered the top two teams in the state.

Two more Astros qualified Friday for the state meet, giving the Pinkerton 12 representatives at tomorrow's meet.

Joining the other ten were junior Dianne Cameron and Sophomore Karen Flynn. Cameron qualified in the 3000, while Flynn qualified in the 1500.

Senior Karyn Tomaini will be leading

the way for the Astros in tomorrow's meet. Tomaini will be in three events - the 3000, the 1500 and the 1000 meter races.

Another senior, Cheryl Chadwick, will also be in three events. She will run in the 300 meter dash and the hurdles, as well as competing on the relay team.

Also on that relay team will be Patti Salter, Heather Langton and Sherri Hughes, with Joanne Salter as an alternate. The Pinkerton relay team set a UNH girls' record Friday with a time of 4:22.6.

Freshman Sherri Hughes (55 meter dash, 300, relay) is the only other Astro who will compete in three events tomorrow.

Five runners from Pinkerton will be in two events at the state meet. They are: Beth Latham (3000, 1500), Mary Sheridan (3000, 1500), Lynn Wentworth (1000, 1500), Patti Salter (300, relay) and Heather Langton (600, relay).

Junior Jen Hanlon (shot put) and

senior Allison Rackley (hurdles) round out the Astros' going to the state meet.

In last Friday's regular season finale, two Astros took first in two events. Latham, a junior, won the 3000 (11:04.8) and the 1500 (5:11.7). Hughes, a freshman, won the 55 (7.4) and the 300 (43.9).

Also finishing first for the Astros were Jen Hanlon (shot put, 29'8½"), Chadwick (55 meter hurdles, 8.9 seconds), Heather Langton (600, 1:49.1) and the relay team.

Astro coach Kathy O'Connell said she was "very pleased" with the team's 18-2 record, and she will be looking for some of the younger Astros, such as Sue Perry, Sherri Nicholiasen, Cindy Button, Sherri Gragg, Laurie Brown and Kathy Smith "will be counted on to carry on the Pinkerton tradition in seasons to come."

As for tomorrow, O'Connell said "It's going to be a good meet - we'll give them everything we've got. We're hoping to come back with a few state championships."

Posting second place finishes were Allison Rackley, hurdles; Karen Tomaini, 1,000; Chadwick, 300 and Mary Sheridan, 1,500.

## Girls Head For State Meet

by Alison Rackley  
and Janice Hastings

Led by the five seniors, (captain) Jan Hastings, (captain) Cheryl Chadwick, Fran Morin, Karyn Tomani and Alison Rackley, the Pinkerton Academy Winter Track Team finished the season with an 18-2 record. Due to illness the team lost to Portsmouth and Nashua. They hope to annihilate these two teams when they meet again in the State meet this week-end.

Coaches Cathy O'Connell and Betty Shepard are proud of the eleven State qualifiers who are: Karyn Tomani (3000, 1500, 1000), Lynn Wentworth (1500, 1000, 600), Cheryl Chadwick (300 hurdles), Mary Sheridan (3000, 1500), Sherri Hughes (300, 55-dash), Beth Lantham (3000), Heather Langton (600), Jen Hanlon (shot), Lynne

Doran (long jump) and Patti Salter (300). Coach O'Connell says that Diane Cameron and Karen Flynn also qualified for the state meet on Friday.

Ms. O'Connell acknowledged "The Track Team is young this year but they've shown excellent team spirit as well as exceptional talent." The heart of this young talent includes Freshman Sherri Hughes, Freshman Joanne Salter, and Sophomore Mary Sheridan. Coach O'Connell is looking forward to going to the state meet with so many talented and enthusiastic athletes.

The Astros finished out the regular season last week-end by trouncing Concord, Londonderry, Timberlane, and Spaulding. The relay team of Chadwick, Salter, Langton, and Hughes ran an outstanding race in a time of 4:22.6, the best recorded time at UNH this season.

# SURPRISE! PA Astros win girls' track state championship

## Sports scene

Dan Ryan, sports editor

*They 'dared to be great'...*

Report by Dan Ryan

Durham — Kathy O'Connell may have learned to believe what her horoscope says

Last Friday, the Pinkerton girls' track coach's horoscope called for a "hectic but profitable day." It couldn't have been more accurate.

All that was missing at the state meet at UNH Friday was the trio of John Davidson, Cathy Lee Crosby and Fran Tarkenton. After all the only way to describe the meet is by saying "That's incredible."

Pinkerton managed to squeeze by heavy favorites Portsmouth and Nashua to win the state meet Friday. The Astros had lost only two meets this year — to Portsmouth and Nashua — and figured to place behind the two power-houses.

"This has to be the highlight of my six years of coaching," O'Connell said of the championship. "This has to be a great upset."

Pinkerton finished with 83 points, to 65 for Nashua and 57 for Portsmouth. Central had 24 points and Spaulding had 23.

Going into the meet Pinkerton figured to battle Nashua for second place behind the unbeaten Portsmouth Clippers. But Pinkerton got

off to a fast start and never looked back.

The first event was the 3000-meter race, in which Pinkerton had the top three seeded runners — Karyn Tomaini, Beth Latham and Mary Sheridan. The Astros lived up to the billing, taking first, second and third.

Latham won the race with a time of 10:45. Tomaini followed (10:50.3) and Sheridan (10:52.8) took third. The race accounted for 24 of PA's points.

All three had their best times in the race. Their times were also the best three in the state this year.

In the only field event Pinkerton competed in, the shot put, Jen Hanlon took fifth (31' 2 1/2").

The 55-meter dash was supposed to be a contest between Pinkerton freshman Sherri Hughes and and Spaulding's Mary Worthley — and it was.

Hughes won the race with a time of 7.4 seconds, a tenth of a second off her best time.

Tomaini, after her performance in the 3000, took fourth in the 1000-meter race (3:14.7). Also in the 1000, Lynn Wentworth, seeded ninth, took

sixth with her best time of the season (3:17.4).

In the 600-meter race, Heather Langton was ranked tenth in the state in the regular season, but took sixth with a season-best time of 1:47.

The next event was the 300-meter dash, in which two Pinkerton sprinters tied for second, Cheryl Chadwick and Hughes each finished with a time of 43.3 seconds, the best this year for both.

The 14 points in that event brought Pinkerton to within one point of Nashua, 61-60, with the 1500 and relay still to go.

Pinkerton had five runners entered in the 1500, and four of them placed. Latham, Sheridan, Tomaini and Wentworth took third through sixth, respectively.

Latham (5:10.6), Tomaini (5:12.1) and Wentworth (5:16.4). Each had her best time, with Wentworth finishing 14 seconds ahead of her previous best. She was ranked nineteenth going into the race.

The Astros' performance in the 1000 locked up the win, with the relay still to go. The relay team did not even have to run for Pinkerton to win.

But run they did. The quartet of

Chadwick, Joanne Salter, Hughes and Langton won the event with a time of 4:19.6, setting a state record.

Allison Rackley (hurdles), Dianne Cameron (3000), Karen Flynn (1500) and Patti Salter (300) also competed for the Astros in Friday's meet.

"These kids believed in themselves from day one", O'Connell said. "Our motto was 'Dare to be Great', and they did".

"When we needed the big performances, we got them. We lost to both Portsmouth and Nashua and took it in stride. The kids knew we're seeing them again".

O'Connell also had thanks for assistant coach Betty Shepard and cross-country coach Pat Hicks, "both of whom were there when we needed advice, assistance and support".

During the awards ceremony, four Astros were given all-state medals as voted by state coaches. They are Karyn Tomaini (3000), Cheryl Chadwick (300), Sheri Hughes (55) and the relay team.

The top six finishers in each event last Friday will be going to the Tri-state meet, tentatively set for February 21 at Colby College in Waterville, Maine.

## Tri-state title caps off a whale of a season for PA track

**Hanover** — It was supposed to be a battle between the top teams from three states, but as it turned out the Tri-State track meet was a repeat of the New Hampshire state meet.

That did not bother the Pinkerton girls' team, which repeated its state meet performance by winning the Tri-State championship at Dartmouth Saturday.

Pinkerton beat Portsmouth by two points Saturday. Pinkerton had a large lead, but Portsmouth took first, fourth

and fifth in the long jump to make it close.

The Astros had 65 points, Portsmouth had 62 and Nashua had 39. Rutland, Vermont took fourth with 25 points. The meet featured teams from Maine, New Hampshire and Vermont.

"It was a little anti-climactic after the state meet", coach Kathy O'Connell said of the win. "We didn't want anyone to think the state meet victory was a fluke."

Pinkerton had only one first-place finisher (senior Karyn Tomani, mile),

but won the meet with second and third place finishes.

The mile, won by Tomani with a time of 5:20, was Pinkerton's best event scoring-wise, with the Astros earning 20 points. In addition to Tomani's first-place finish, Beth Latham took second (5:21) and Mary Sheridan took fifth (5:35).

Pinkerton also scored high in the two mile, led by Latham's second-place finish (11:47). Tomani followed in third place (11:50) with Sheridan taking fifth (11:50).

Senior Cheryl Chadwick had her season's best time in two events. Chadwick was fourth in the hurdles with a time of 8.7 seconds, and her time of 38.9 seconds in the 300 was good enough for second.

Pinkerton's other runner in the 300, freshman Sherri Hughes took fourth with a time of 39.5. Hughes was also third in the 60-yard dash with her best time (7.2 seconds).

Junior Lynn Wentworth took sixth place in the 1,000 with a time of 3:01.

Despite turning in its best time of the season (4:15.9), Pinkerton's relay team of Chadwick, Joanne Salter and Heather Langton and Hughes took third.

Portsmouth won the relay to close the Pinkerton lead to 18. The Clippers then took first, fourth and fifth in the final event, the long jump, to come within two points of the Astros.

Two other members of the P.A. girls team competed, but did not score. They were Jen Hanlon (shot put) and Heather Langton (600 yards). Both placed in the top ten.

# Seven from area are on all-state track

By Dan Ryan  
Sports Editor

Seven athletes from the two area high schools - Londonderry and Pinkerton - have been chosen to the 1980-81 winter track all-state teams.

Five members of the Tri-State champion Pinkerton girls' team were chosen, as were two members of the first-year Londonderry boys' team.

The athletes were chosen by the winter track coaches based on regular season performance.

Astros chosen to the team were senior co-captain Cheryl Chadwick (300 meter dash), senior Karyn Tomaini (3000 meter), freshman Sherri Hughes (55 meter dash) and the relay team of Chadwick, Hughes, Joanne Salter and Heather Langton.

Lancers elected to the all-state team are junior Dave Burkinshaw (600 meter run) and junior Kevin Blackwood (300).

Chadwick who along with Janice Hastings was co-captain of Pinkerton's first girls' winter track state championship team, had the state's best regular season time in the 300 (43.7 seconds). She was second in the state meet (tied with Hughes).

Chadwick also ran in the 55 meter hurdles (fourth in state meet) and ran the first leg of the state

champion relay team.

Tomaini, in her fourth season of running winter track for Pinkerton, was second in the State Meet 3000 meter with a time of 10:50.3, finishing behind teammate Beth Latham.

In addition to the 3000, her all-state event, Tomaini also ran in the 1500 and 1000 meter races in the State and Tri-state meets.

A REMINDER OF WHAT WE CAN BE

We wanted to win it for ourselves.

Not ourselves as in I, me, mine.

Ourselves The Team.

Individually, They were fine, dedicated sportswomen.

Some will have excellent track careers.

Others will bust. But collectively they were a transcendent lot.

For four months they pushed each other on and

pulled each other along, from rung to rung

until that week in February They - a bunch of unheralded tracksters - became the best track team in the state.

The best team.

The whole was greater than the sum of its parts by a mile.

And they were not just a team.

They were innovative, exuberant and absolutely unafraid to succeed.

We thank you for all the late suppers, the taxi service - especially all the late Friday nights, for your encouragement, your sympathetic ear when down, your enthusiasm in victory. However little you may know about track, you do know the most important thing - you know us, and that we're giving our best. Although we may not show it all the time, we appreciate your support.

We would like to thank the Pinkerton Board of Trustees, Mr. Ek, and Mr. Royce for this banquet where we may once again "Bask In The Glory" of our victories.

First of all, the obvious—WE HAD A GREAT SEASON! This has been better than anyone had ever dreamed of. If you were at the state meet, which most of you were, you can relive that winning feeling over and over again everytime you think of the "upset of the year." That night was shared by all—not just those that ran in the meet. How many times did you run with them? How many times did you lift with them? How many times did you offer the encouragement when the qualifiers were running? That's why 32 girls share in the glory of being WINTER TRACK STATE CHAMPIONS.

I told you right at the first meeting that we wouldn't end or even start the season for that matter with the number of girls that signed up. We started the season with 36 girls and ended with 32...and excepting medical excuses, the old saying still prevails... "When the going gets tough, the weaker athletes drop out." I congratulate all of you who made it through the season. I feel a need at the end of all my seasons to really say the same thing. I do not intentionally try to hurt anyone's feelings although I know I do

a good job at it. I know that at times it seems as if I "don't care" how you do...but that is far from the truth. I have down, with maybe one exception, all times that run at all meets. I do know how you are progressing. There is one of me and 32 of you and yes I do spend time with the older kids and hope that you learned from them. They are your best teachers. You learn the style, form, grace that is needed to be good. To you younger kids I can only say "Stick with us."

And lastly, a few of my thoughts on the season and Winter Track in general:  
+ Some of you don't/didn't want to make the commitment and put in the time and desire to be good and if good-great.

+ Track is a physical ability and state of mind. If you gave all you had-you won regardless of how you placed in the meet. If you are physically gifted you owe it to yourself to put forth the effort to be great.

+ SENIORITUS-I don't believe in the cop-out. What would have happened if our 3 returning vets had "gotten it???" (Jan, Karyn, Cheryl) They would have hurt themselves in the long run. Record wise we would have felt the pinch but we still would have had many fine performances and life would have gone on. Younger kids need seniors and juniors on their squad. What a waste to devote 3 years to something and then give it all up. For what? General Hospital time? To drink to the gills to smoke your brains out?? WHAT FUN that will bring you 2 or 3 years from now when you look back on your high school days. To commit yourself to something and see it through is the ultimate in CLASS. You ladies are to be commended.

and now that my annual speech has been made...We wish to thank Ms. Shepard for all her expertise and help this past season. To Mrs. Hicks..we "Thank you for your concern."

Janice and Cheryl...we "Thank you" for your leadership and support. To see the picture of you holding up the championship plaque is worth a thousand words...that is what its all about.

I thank all of you for giving me the best seasons I have had the pleasure of coaching...

You know where you can find me if you need anything

Ms. O'Connell
