# Hughes, Langton win medals

Ten members of the Pinkerton Academy girls' track team traveled to Methuen last Friday to take part in the sixth annual Methuen Invitational track meet for girls.

Two of the Astros came home medal winners.

Sophomore Sherri Hughes, seeded second in a field of 25 runners, won the 50-yard dash with a time of 6.1 seconds, only one-tenth of a second off the field house record.

**Sherri Hughes**

Hughes won both of her quarter-final heats in 6.3 seconds, setting up a final-heat showdown against 1980 winner Heidi Thomson of Falmouth and 1981 winner Davynne Williams of Andover.

Hughes came smoking out of the blocks to win the race, with Thomson second and Williams third.

"Sherri really looked great in that final heat" said coach Kathy O'Connell. "She's been working on her starts, trying to get the kinks out. It was, by far, her best performance of the season. More than one coach commented on her performance."

Junior middle-distance runner Heather Langton was seeded eighth in a field of 30, which put her in a slower heat in the 1,000 meter yard run.

Langton placed second in her heat with a time of 2:53.0, good enough to give her the sixth place medal.

"Heather is a gutsy runner who gives it her all", said O'Connell. "She still has to work on her form and upper-body strength, but it's

coming. She did a great job."

Hughes' and Langton's 11 points put Pinkerton, the only out-of-state school in the meet, fourteenth overall in a field of 28 teams. Andover won the meet.

Both Margaret Consalvi and Sharon Chadwick improved their best times in the 300 yard dash, as did Dianne Cameron in the 1,000 yard run. Amy Blenis won her heat in the 600 with a time of 1:40.

Frosh distance runners Amy Kruschwitz and Bridget Riley competed in the mile run. Running in the younger of the two heats in that event, Kruschwitz and Riley finished one-two with times of 5:49.8 and 5:49.9, respectively.

"They were out of the money as far as awards went, but they certainly ran well", said O'Connell. "They've been improving steadily as the season goes along."

Mary Sheridan and Beth Latham ran in a talent-laden two mile run, which was won by Dartmouth Relay runner-up Mary Schena of Haverhill. Sheri-

dan managed to place a respectable eighth.

The mile relay of Blenis, Chadwick, Latham and Hughes ran a season best of 4:31.4, with Chadwick running a 65.8 second 440 and Hughes a 64.4.

"The meet was superbly run", said O'Connell. "With 200 girls participating, it was very smooth and organized. Meet director Dan Moynihan and crew should be commended."

"I'm pleased with our girls' performances. Improvement is the name of the game and most of the girls improved. We watched in awe at some of the Massachusetts talent. Track is such a prestigious sport at many of their schools. This is something very evident when you see the girls on and off the track."

"It's something we're trying to create at Pinkerton, but we have a long way to go. We need more girls who are not afraid to work hard", O'Connell said.

The full Astro squad will be back in action tomorrow night with a 6 o'clock meet at the University of New Hampshire.

# PA sweeps events in track meet win

**Durham** — Pinkerton Academy's girls' winter track team took the first five places in both the 3,000 and 1,500 meter races last week, on the way to a quad-meet win at the University of New Hampshire.

The Astros finished with 87½ points, followed by West (60), Exeter (24½) and Memorial (3). Pinkerton is now 7-1 this year.

Senior Beth Latham ran her best 3,000 meter race of the season, winning with a time of 10:53.5. She was followed by junior Mary Sheridan (11:19), and Bridget Riley, Dianne Cameron and Sue Downing.

The distance crew came right back in the 1,500, again led by Latham. She won that event with a time of 5:17.1. Sheridan again took second, with a time of 5:24.7. She was followed by Riley in third, Karen Flynn in fourth and Sue Downing in fifth.

Sophomore sprinter Sherri Hughes had a good meet, winning three events for the Astros. Hughes took first in the 55 meter dash (7.5 seconds), the 300 meter dash (44.5) and the hurdles (9.4 seconds). Pinkerton's Sharon Chadwick

placed fifth in the hurdles.

Heather Langton, one of the most improved Astros since last season, continued to be among the top three in the 1,000 meter race. She won that event last week with a time of 3:20.1.

Langton's teammate Kathy Smith was third in the 1,000 and senior co-captain Dianne Cameron was fourth. Langton also won the long jump at 14' 11½" (in her first attempt at that event this year). Chadwick was fourth and Debbie Simard was fifth in that event.

Langton also tied for second in the high jump (4'6") Julie Webster was fourth and Amy Blenis was fifth in that event.

Blenis added a second place finish in the 600 (1:55.6) with Bonnie Chadwick taking fifth. The relay team of Margaret Consalvi, Kim Zito, Bonnie Chadwick and Donna Lewis placed third. Consalvi had a quarter-mile split of 68 seconds.

Pinkerton, now 7-1, takes on Dover and Winnacunnet Friday at 4 p.m. at the University of New Hampshire. On Saturday, Latham, Sheridan, Hughes and Heather Langton will travel to Hanover for the Dartmouth relays.

# PA girls easily win track meet

**Durham** — A 'cool' and rejuvenated Pinkerton Academy girls' track team got back into regular season action at the University of New Hampshire Friday night, beating Winnacunnet and Exeter in a Tri-meet.

The Astros finished with 76½ points, Winnacunnet had 24¼ and Exeter had 16¼ points. For the second time this season, Concord was a no-show.

"We had a good week's practice", said PA coach Kathy O'Connell. "We tried to shake off some of the winter doldrums. The kids were up for the meet, and it was reflected in their times."

Sophomore sprinter Sherri Hughes had a great night, taking three first-place finishes and adding a second place. She won the long jump (15'8.75"), her season best), the 300 meter race (43.5 seconds, best time at UNH this year) and the 55 meter dash (7.6 seconds). She also was second in the hurdles with a season-best time of 9.1 seconds.

Heather Langton continued to improve her times, winning the 1,000 meter race in a season-best time of 3:18.2. She also was second in the 300 with a state-qualifying time of 45.3, second in the high jump (4'6") and third in the long jump (14'7½").

Beth Latham got back into form, winning the 3,000 meter race (10:57) and the 1,500 (5:15.3). Junior Amy Blenis ran her best time, winning the 600 with a time of 1:51.6, which qualifies her for the state meet.

Junior Mary Sheridan took second place in two events - the 3,000 and 1,000. Frosh Amy Kruschwitz took 12 seconds off her best time in the 1,500, finishing second with a time of 5:18.3.

Placing third for the Astros

were Bridget Riley (3,000), Diane Cameron (1,000), Bonnie Chadwick (600, 1:56.0, her best this season), Karen Flynn (1,500, 5:30.1, season best), Donna Lewis (hurdles, 9.9 seconds, season best) and Blenis (high jump).

Fourth-place finishers for Pinkerton were Cameron (3,000), Debbie Simard (long jump, 14'7", season best), Kim Zito (dash), Kathy Smith (1,000), Blenis (300), Riley (1,500), Julie Webster and Deb Simard (tie, high jump).

The relay team of Lewis, Chadwick, Cameron and Pattie Foster took first place. Foster, along with Diana Colburn, was running her first meet of the year after an early season injury.

"It was a productive and fun night for the girls", said O'Connell. "We had some good performances and a record number of parents, friends and alumni came to support the girls. It makes it so much more worthwhile when you can see your work pay off and people are there supporting and appreciating your efforts."

The Astros have one more regular-season meet before the February 5 state meet. Friday, the squad will go against Timberlane, Spaulding, Londonderry, Concord and Alvirne. The meet ("it'll be a tough one" - O'Connell) starts at 6 o'clock at UNH.

On Sunday, three Astros participated in the New England TAC track and field championships at Boston University. The meet featured high school, college, and unattached runners from throughout New England.

Sherri Hughes placed third in the quarter-finals of the dash, advancing to the semi-finals, where she placed fourth in her heat. Hughes also ran a very respectable time of 26.2 seconds

## Pinkerton girls' track win

The Pinkerton Academy girls winter track team won a meet at the University of New Hampshire yesterday over Timberlane, Spaulding, Londonderry, Alvirne and Concord to finish off the regular season at 15-1.

The team results were as follows: Pinkerton (140½ pts.); Timberlane (81 pts.); Spaulding (55 pts.); Londonderry (25 pts.); Alvirne (12 pts.); Concord (11 pts.).

Beth Latham paced the Astros' runners by winning the 3,000 meter run with a time of 10:55.0 and

the 1,500 meter run with a time of 5:15.0.

Sherri Hughes won the 300 meter dash for Pinkerton in a time of 43.2 and took a second in the 55 meter dash with a time of 7.2 and a third in the 55 meter hurdles with a time of 9.7.

Also for the winners, Heather Langton placed first in the 1,000 meter run with a time of 3:17.7 and was second in the high jump at 4-8.

Pinkerton will next run in the State Meet next Friday (6 p.m.) at U.N.H.

## Pinkerton gals win

Pinkerton Academy, tuning up for next Saturday's All-State Track Meet, rolled up 140½ points to far outdistance runnerup Timberlane with 81½ yesterday at the University of New Hampshire.

Rounding out the six-team girls field were Spaulding 58, Londonderry 28, Alvirne 19 and Concord 12.

Pinkerton's Beth Latham was a double winner for the Astros.

Miss Latham won the 3000 meter run in 10:56.4 with teammates Mary Sheridan and Reilly second and third. Miss Latham also took the 1500 meter run in 5:14.

The other Astro winner was Heather Langton in the 1000 meter run in 3:17.7

Second place finishers for Pinkerton were Sherri Hughes, 55 meter hurdles and Miss Langton in the high jump and long jump.

Patsy Booker won the 600 for Timberlane in 1:46.5 and had a second place in the 300. Lynne Burke won the long jump at 16-0 and had thirds in the 300 and 55 meter dash. Jenny Wiggins had a second in the shot put and Cheryl Mitchell had a second in the 600.

The Timberlane mile relay team of Mitchell, Rachael Beattie, Diana Parly and Michelle Snowden also produced a first place in 4:36.4.

# Astro girls to defend state title

**Durham** — Pinkerton Academy's girls' winter track team will be defending its 1981 state championship tomorrow night in the State Meet at the University of New Hampshire (6:30).

The Astros pulled another win out of their hats last Friday night, finishing with 140½ points. Timberlane had 81½ points, followed by Spaulding with 58, Londonderry with 28, Alvirne with 19 and Concord with 12.

Seven Astros will be competing in the state meet tomorrow night, with three of them having qualified for the maximum of four events.

Sherri Hughes has qualified in the long jump, hurdles, 55 meter dash and 300 meter dash (in which she is the top-ranked runner), and Heather Langton has qualified in the long and high jumps, the 1,000 meter race and the 300. Both have scratched the long jump and will run on the relay team.

"Both have made improvements in the long jump", said coach Kathy O'Connell, "but we feel it's best for them to by-pass it this year in favor of concentrating on their other events."

Senior Beth Latham has her choice of four distance events:

the 1,500, the 3,000, the 1,000 and the 600. She will run the 3,000 (in which she is ranked second) and the 1,500 (ranked fourth).

Junior Mary Sheridan will drop the 1,000, and concentrate on the 3,000 (ranked sixth) and the 1,500.

Of the 10 frosh to qualify for the state meet, two are Astros. Bridget Riley will run the 3,000 (seeded seventh) and the 1,500, while Amy Kruschwitz will drop the 3,000 in favor of the 1,500, in which she is ranked eighth.

Rounding out the "Astro seven" is track newcomer junior Amy Blenis, who has qualified in the 600. Pinkerton's relay team will have Hughes, Langton, Margaret Consalvi and Sharon Chadwick, with Donna Lewis and Blenis alternates.

Coaches O'Connell and Betty Shepard see the meet as a dog fight between Central and Nashua. "Both squads have depth", said O'Connell. "we don't have the numbers this year to go for the top spots, but will concentrate on individual achievements in hopes it will get us in the top six".

Pinkerton finished the season with a 15-1 record, and has compiled a 52-4 record in the three years with O'Connell as coach.

# 6 records set in girls' state meet

## *It's Worthley in hurdles, Marioti in 1,500 Nashua wins team title by wide margin*

DURHAM — Six state records were set and two local runners earned first-place medals at last night's girls' state indoor track meet at the Paul Sweet Oval at the University of New Hampshire.

Nashua breezed to the team title with 81 points, well ahead of runnerup Manchester Central's 53. The Purple Panthers got just two winning efforts, but placed in most events to take the championship. Local victors were Spaulding's Robin Worthley in the 55-meter hurdles and Jenny Marioti of Dover in the 1,500.

Worthley, a Red Raider senior, also ran second to Cecelia Kindgren's record-setting performance in the 55-meter dash. Worthley's win in the hurdles, an 8.1-second effort, was one of six new state marks established.

Other local runnersup were Exeter High's Leslie Nichols, who was edged by a half-second in the 1,000 by Pinkerton's Langton, and Somersworth's Sara Belyea, who leapt five feet along with Nashua's Gill but lost on more misses.

After Central in team scoring came Pinkerton (51), Timberlane (31), Spaulding (24), Portsmouth (19), Oyster River (12), Dover (10), West (10) and Keene (10). Exeter (9) and Somersworth (8) closed out the local scoring.

Ellen Abbott of Central captured the 3,000 with a 10:44.1 clocking, and Jenny Curtis of OR ran fourth.

Keene's Darcy Smith set the night's first record in the shotput, with a throw of 40-feet, 8-inches. Exeter's Bassett finished sixth in the event.

Kindgren edged Worthley in the dash, setting a new meet record of 7.2 seconds, just ahead of Worthley's 7.3.

Pinkerton's Langton then edged Nichols in the 1,000 with a 3:09.1 time compared to Nichols' 3:09.6, and Timberlane took the next two events. Patsy Booker won the 600 in 1:41.6 (another record), and the Owls' Lynn Burke set another mark in the long jump with a 17-foot, 6½-inch jump. Oyster River's Sarah Yount finished fourth in the long jump.

Worthley and Nashua's Sherry Gagnon were both clocked in 8.1 seconds in the 55-meter hurdles, but Worthley captured the event at the tape. OR's Yount took sixth place.

Marioti then captured Dover High's only points with her win in the 1,500, and Curtis placed in the event, taking sixth. Pinkerton's Sheri Hughes ran 42.6 for another meet standard, well ahead of OR's Mary Rogers in fifth. Gill then topped Belyea in the high jump, and Central won the final event, the relay, with Nashua second. Spaulding finished fifth in the relay.

Above, Jenny Curtis of Oyster River runs to a fourth-place finish in last night's girls' state meet at UNH's Paul Sweet Oval. Right, Somersworth's Sara Belyea goes over the bar on a high-jump effort en route to second place in the event last night. Belyea and winner Gill of Nashua both cleared five feet, but Gill won on fewer misses.

## Two Astro girls state champs

Durham — After battling top-rated Central for second place the entire night, Pinkerton Academy's girls' winter track team settled for a third place finish in the state championship meet last Friday.

Nashua won the meet with 81 points, Central was second with 53 and Pinkerton had 51. Timberlane (31 points) and Spaulding (24), rounded out the top five. There were 21 teams in the meet.

Two Astro runners emerged as state champions in the meet. Sophomore Sherri Hughes, last year's 55 meter dash state champ, won the 300 Friday. Her time of 42.6 seconds set a new state record.

Junior Heather Langton, ranked fourth in the 1,000 before the meet, ran a smart race then pulled away in the final lap. Her time of 3:09.1 was 8.6 seconds faster than her qualifying time, only .4 seconds off the state record.

Pinkerton and Central battled for the second-place finish throughout the meet, but the Little Green's relay team edged the final event. Pinkerton's relay team of Hughes, Langton, Sharon Chadwick and Margaret Consalvi cut seven seconds off its season's best time, 4:24.

Pinkerton's distance trio of Beth Latham, Mary Sheridan and Bridget Riley got things going for the Astros, taking second, fifth and sixth.

Latham, the only Pinkerton senior to qualify for state

competition, ran a season's best time of 10:46.6. Riley nipped Sheridan at the wire for fifth, finishing with a time of 11:31.6 to Sheridan's 11:32.

The hurdles, in which Hughes was ranked 11th, were next. In that event, Hughes' best previous time was 9.1 seconds. On Friday, though, she ran two trials of 8.5 seconds, then ran the final heat in 8.8 seconds for third place.

"We thought Sherri might be able to get into the semis and gain a little hurdle experience", said coach Kathy O'Connell, "But a third place in her initial year as a hurdler is a great accomplishment, and speaks for her desire to excel."

After the hurdles, Hughes ran a 7.3 to finish third in the 55, then ran for the state record in the 300. She also ran one leg of the relay in 62.5 seconds.

After that, Langton, who had cleared 4'8" in the high jump, won the 1,000. "We knew she could do it all along, and I think after two years with winter track, now she's starting to believe in herself", said O'Connell. "She just did a super job."

Junior Amy Blenis ran the 600 in 1:51.0. That event was won by Timberlane's Patsy Booker in a record time of 1:41.6.

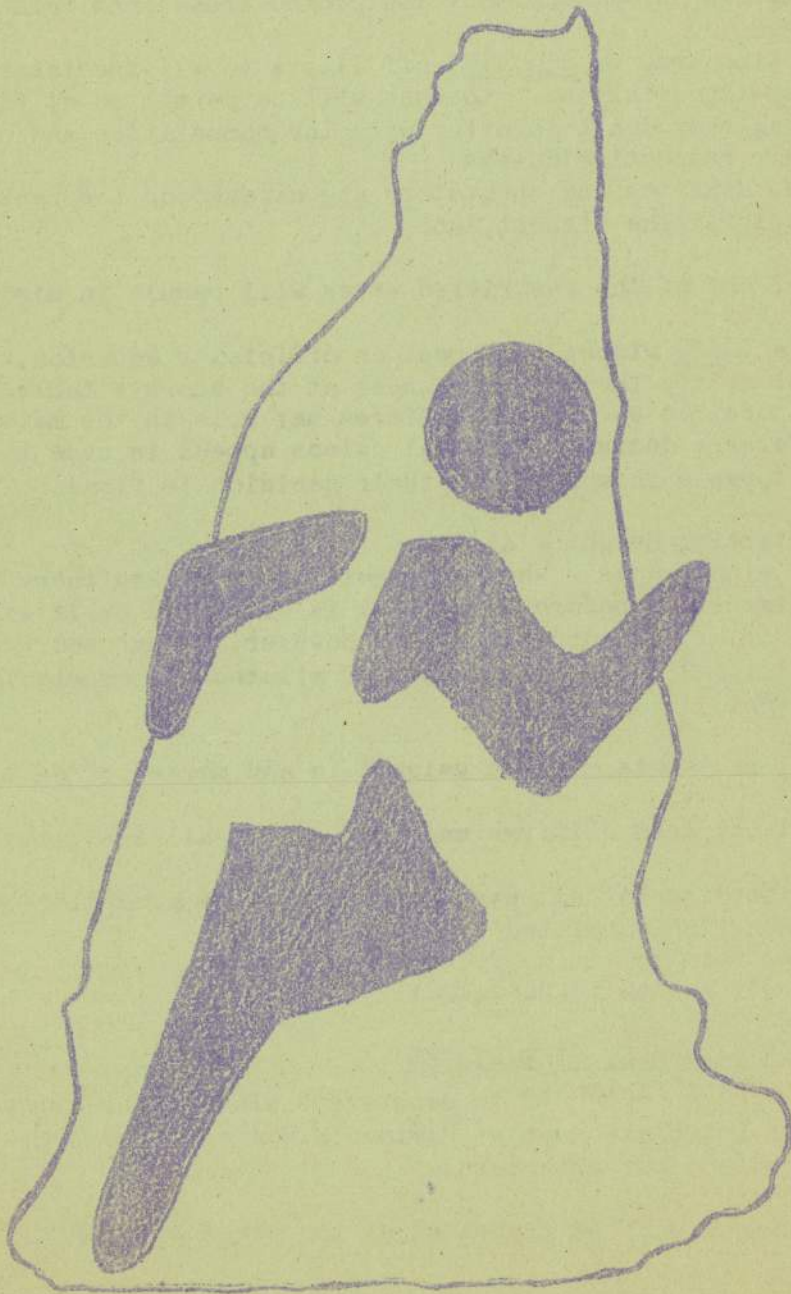

Latham then took fourth in the 1,500 (5:11.5) and frosh Amy Kruschwitz placed seventh in that event.

Nashua had clinched the win by then, but second came down to the relay, won by Central.

# PA track easily tops Warriors

**Durham** — What was scheduled as a quad-meet turned out to be a dual meet last Friday, and the Pinkerton Academy girls' winter track team easily beat Winnacunnet, 81-13.

Dover and Bishop Brady were scheduled to take part in the meet, but were both no-shows. By the end of the meet, the Winnacunnet Warriors were probably wishing they had stayed home, too.

Pinkerton won 10 of the 11 events in the easy win, which raised the team's record to 8-1.

Tomorrow, the Astros get a break from their schedule of meets at the University of New Hampshire, traveling to the Methuen Invitational at the Methuen Field House at 1 p.m.

Competing for Pinkerton will be Sherri Hughes, Heather Langton, Amy Blenis, Sharon Chadwick, Margaret Consalvi, Dianne Cameron, Bridget Riley, Amy Kruschwitz, Beth Latham and Mary Sheridan.

"The meet should feature some of the better talent in Northern Massachusetts", said Pinkerton coach Kathy O'Connell. "It will give our people the chance to run against the Merrimack Valley's best."

The Astros were certainly not going against the best last Friday in one of their easiest wins in recent years.

Freshmen Bridget Riley and Amy Kruschwitz started things off by placing 1-2 in the 3,000 meter race. Riley, with a time of 11:30.7 and Kruschwitz (11:35.9) took 14 and eight seconds, respectively, off their previous best times.

Senior co-captain Dianne Cameron was third in the 3,000.

Riley and Kruschwitz again combined for the first two spots in the 1,500. Riley won with a time of 5:30, and Kruschwitz finished in 5:31.2. Karen Flynn was fourth for the Astros.

Heather Langton won the high jump, clearing 4'6", while Amy Blenis was third and Julie Webster was fourth in that event.

In the long jump, sophomore Sherri Hughes won with a leap of 15'5½". It was her first attempt at the long jump this year. Langton was second in that event and Sharon Chadwick was third.

Hughes also won the 55 meter dash (7.5 seconds; teammate Margaret Consalvi was third) and the hurdles (9.6 seconds; Chadwick was second).

Distance runners Beth Latham and Mary Sheridan dropped down to the middle distances for this meet and took first and second, respectively, in the 1,000, with times of 3:18 and 3:21. Kathy Smith was third in that race.

Pinkerton took the first three spots in the 600, led by Langton's winning time of 1:52.3. Amy Blenis was second and Bonnie Chadwick was third.

The Astros' Consalvi won the 300 meter dash with a time of 47.9 seconds. Sharon Chadwick was second and Donna Lewis was third. The relay team of Consalvi, Blenis, and Bonnie and Sharon

Chadwick won with a time of 4:43.7.

In the only event won by Winnacunnet, the shot put, Pinkerton's Pam Russell and Kim Bennett took second and third.

## Dartmouth Relays

On Saturday, some members of the PA team traveled to Hanover for the 13th annual Dartmouth Relays, featuring the best of New England and New York runners.

Hughes placed fifth in the 55 meter dash. Others running for Pinkerton were Latham and Sheridan (two mile) and Langton (800 meter dash).

"They really didn't run the way I had expected they would", said O'Connell. "But it was a good experience for them, and hopefully they'll buckle down and push themselves for the Invitational and the remainder of our season."

Pinkerton	81
Winnacunnet	13

Pinkerton took nine of ten first places to coast to victory. Sherry Hughes led the way with wins in the long jump (15-5½), 55-meter hurdles (9.6), and the 55-meter dash in 7.6.

In a strong performance, Pinkerton picked up two more firsts when Bridget Reilly won the 3000 in 11:30.7, and 1500 in 5:30. Heather Langton won both the high jump (4-6), and the 600 in 1:52.3.

Other victories were claimed by Beth Latham in the 1000 (3:18.8), and Margaret Consalvi in the 300 at 47.9. The Astros also took the mile relay in 4:43.7.

Next Friday, Pinkerton will take part in the Methuen Invitational Relays.

# Central tops Astro track

Three members of the Central High School girls' track team combined for nine first-place finishes and 47 points, as the Little Green beat Pinkerton, 63-67, in the season

opener at Durham Friday.

Also in the meet, Oyster River had 18 points.

Because of the junior varsity meet and some opening night confusion, the meet lasted seven and-a-half hours.

Pinkerton's only first-place finish came from senior Beth Latham, who won the 1,500 meter race in a time of 5:18.2. She was also second in the 3,000 meter race.

Sophomore Sherri Hughes had a productive night, placing second in the 55 meter dash (7.3 seconds), second in the 300 (44.7) and third in the hurdles (9.2).

Coach Kathy O'Connell said those were all "very good first meet times", but that after seeing the competition Friday, "there are a lot of good short-distance runners this year.

There's a lot of work for her to do."

Junior Mary Sheridan ran her usual steady meet, placing second in the 1,500 and third in the 3,000. Frosh Bridget Riley placed fourth in the 3,000 while Amy Kruschwitz was third in the 1,500.

"They're both young and inexperienced", O'Connell said of Riley and Kruschwitz. "With more training, they'll make their mark."

Junior Amy Blenis, in her first year of track, placed second in the 600 and tied teammate Heather Langton for second in the high jump (4'6").

Langton ran in probably the most exciting race of the night, just being edged out in the 1,000 meter race by

three-tenths of a second. Her time was 3:22.

Two track newcomers placed fourth for the Astros - Pam Russell in the shot put and Sharon Chadwick in the 300.

In the junior varsity meet, Debbie Simard was first in the high jump.

"Central looks good, real good", O'Connell said. "They were too much for us."

"It was a good first outing, showing the girls what track is all about, getting a look at the competition and seeing what needs to be done to progress these next seven weeks."

Yesterday, as the Derry News went to press, the Astros were at UNH to face Portsmouth, Winnacunnet and Somersworth. Next Wednesday, they face Exeter, West and Memorial in a 10 a.m. meet.

Pinkerton	76
Portsmouth	53
Winnacunnet	32
Somersworth	11

Pinkerton Academy's girls track team ran away with an early Christmas present yesterday as the Astros upped their record to 4-1.

Sherri Hughes was a double winner for the Derry girls, taking the 55-meter dash in 7.5 seconds and the 300-meter run in 44.9.

Mary Sheridan won the 3,000-meter run in 11:08 for the Astros while Beth Latham won the 1,500-meter run in 5:14.1. Heather Langton won the 1,000-meter run in 3:26.3 while the mile relay team of Hughes, Langton, Amy Blenis and Sharon Chadwick was a winner in 4:32.4.

Pinkerton will be back in action Wednesday at UNH against Exeter, Manchester West and Manchester Memorial starting at 10 a.m.

# Lancers, Astros are in Tri-State meet

Members of the Class I champion Londonderry boys' winter track team, along with runners from the two Pinkerton track teams, will be traveling to Hanover for the Tri-state Track Meet Saturday night.

The meet will be held at Dartmouth's Leverone Field House.

Pinkerton's boys' team will be represented by two runners - junior Kevin Coyle and senior Andy Scott. Coyle set a Pinkerton record with a time of 9:16.3 in the 3,000 meter race in the state Meet of Champions. Coyle will be running in the two mile Saturday because the meet is using customary instead of metric measurements.

Scott will be running in the mile. He placed seventh in the 1,500 meter race at the Meet of Champions.

The Pinkerton girls' team will have six individuals and a relay team at Saturday's meet. Senior Beth Latham will lead a trio of Astro runners in the two-mile. Joining her will be junior Mary Sheridan and frosh Briget Riley.

Latham finished second in the 3,000 in the state meet, and should be one of the top finishers. Riley was the only freshman to place in the state meet.

Latham, who will be closing out a four-year track career, will also run in the mile with frosh Amy Kruschwitz. "We are hoping Beth can go out in style by placing high in her events", said coach Kathy O'Connell. "She hasn't had too much luck at Dartmouth, so it'll be like a personal challenge for her".

The Astros will have two state champions in action Saturday. Heather Langton, the state champ in the 1,000 meter race, will run in the

1,000 yard dash run. Sherri Hughes will run in the dash, the 300, and the hurdles. She set a state record in the 300.

Pinkerton will run a somewhat new relay team, with Hughes and Langton being joined by Amy Blenis and frosh Donna Lewis.

"These two girls (Blenis and Lewis) were willing to go the extra two weeks of practice, so we felt they deserved the chance to run on a good track against good competition", said O'Connell.

From Londonderry, Jim Radzelovage will be competing in the shot put. He was third in the state and the Class I champion in that event.

Kirk Carlsen will be in the high jump Saturday. He is also the Class I champion, and he cleared 6' in the state meet.

Senior Kevin Blackwood will be running in both the 300 and the dash. He was second in the state in both events. Sophomore Dan Godin will be running in the mile for the Lancers, having placed second in the 1,500 in the state meet. He will also be on the Londonderry relay team.

## Astro track team ends season in style

**Hanover** - Pinkerton Academy's girls' winter track team ended its season in style, placing second in the Tri-State Meet Saturday. There were 23 teams from New Hampshire, Maine and Vermont at the meet.

Nashua won with 77 points, while Pinkerton had 43 and Timberlane had 30 points.

Sophomore sprinter Sherri Hughes finished out a spectacular year in spectacular fashion. She won the 300 yard run with a state record time of 37.8 seconds.

Hughes also placed third in the

60-yard dash (7.3 seconds), fifth in the 60-yard hurdles (8.7) and ran a 60.1 second quarter-mile relay leg.

New Hampshire 1,000 meter runner champion Heather Langton placed fourth in the 1,000 yard race Saturday. Her time was 2:50.6, the best time of any New Hampshire runner.

Senior co-captain Beth Latham ended her four-year winter track career in great fashion, winning the two-mile run in 11:43 and placing third in the mile (5:18.3).

Amy Kruschwitz took seventh in the mile while Briget Riley picked up a fifth-place ribbon in the two mile. Mary

Sheridan was sixth.

The mile relay team of Hughes, Langton, Amy Blenis and Donna Lewis took fifth place with a time of 4:25.3.

In the boys' competition, Pinkerton's Kevin Coyle was eighth in the two-mile while Andy Scott placed eighth in the mile.

Pinkerton girls' coach Katy O'Connell said she was "glad to see Beth (Latham) beat the Dartmouth jinx and go out in style. She has certainly been an instrumental part of our winter track success the last three years."

"We have some young runners, like Bonnie Chadwick, Patti Foster and

Debbie Simard, to name a few, who could become top-notch track personnel with more training. With the exception of Latham, all the Tri-state competitors will be eligible next year.

"Sherri Hughes, Heather Langton and Mary Sheridan will be our leaders on and off the track. Amy Blenis came a long way this season and Kruschwitz, Riley and Lewis are all freshmen. If these girls realize the potential that they have and train hard, Astro winter track will remain one of the top squads in the state.

"They've all had a great season and should be proud of it."

# Three from area earn all-state track honors

## PA's Hughes and Latham, L'derry's Carlsen chosen

By Dan Ryan  
Sports Editor

The New Hampshire winter track coaches have announced their 1981-82 all-state selections, and a total of three come from Pinkerton Academy and Londonderry High School.

Representing the Class I champion Londonderry boys' winter track team is high jumper Kirk Carlsen. Chosen from the Tri-state runner-up Pinkerton girls' team are sophomore Sherri Hughes and senior Beth Latham.

Carlsen, a senior, had the highest jump of the season, clearing 6'2". In the Class I meet, he went on to jump 5'10" for a first-place finish.

In the state meet of champions, Carlsen took a third-place finish with a jump of 6'. "Kirk is a very versatile performer", said Lancer coach Al Halpern. "He's a hard worker and one of our team leaders."

Carlsen's versatility helped him become the team's leading scorer this season, helping the Lancers to their first Class I title.

Latham is a four-year track competitor. Last year's state 3,000 meter champ, she was again one of the state's best distance runners this year in both the 1,500 and the 3,000.

She was named all-state in the 1,500 this year.

In the state meet, she ran her season's-best times in both events, taking fourth in the 1,500 (5:11.5) and second in the 3,000 (10:46.6).

Sherri Hughes, a sophomore, was named an all-state performer for the second straight year. Last year, she was chosen in the 55 meter dash, and this year it was the 300.

Hughes' time of 42.6 seconds in the state meet this year not only gave her the state championship but also set a state record.

In addition, she was second this year in the 55 meter dash and the 55 meter hurdles.

Boys' track athlete of the year was Central's Ron Content. He was named all-state in the 55, the 300 and the long jump. In fact, he set a national high school long jump record, with a leap of 24'1 1/2" in the state meet.

Kirk Carlsen

Central's Ellen Abbott was named girls' track athlete of the year. She had the best regular season times in the 800, the 1,000, the 1,500 and the 3,000.

# Lancers, Astros are in Tri-State meet

Members of the Class I champion Londonderry boys' winter track team, along with runners from the two Pinkerton track teams, will be traveling to Hanover for the Tri-state Track Meet Saturday night.

The meet will be held at Dartmouth's Leverone Field House.

Pinkerton's boys' team will be represented by two runners - junior Kevin Coyle and senior Andy Scott. Coyle set a Pinkerton record with a time of 9:16.3 in the 3,000 meter race in the state Meet of Champions. Coyle will be running in the two mile Saturday because the meet is using customary instead of metric measurements.

Scott will be running in the mile. He placed seventh in the 1,500 meter race at the Meet of Champions.

The Pinkerton girls' team will have six individuals and a relay team at Saturday's meet. Senior Beth Latham will lead a trio of Astro runners in the two-mile. Joining her will be junior Mary Sheridan and frosh Briget Riley.

Latham finished second in the 3,000 in the state meet, and should be one of the top finishers. Riley was the only freshman to place in the state meet.

# Andover girls take top spot in Methuen Track Invitational

Andover High's girls' track team topped a field of 28 teams in yesterday's Methuen Invitational at the MHS Fieldhouse.

The Golden Warriors came up with 43 points to place ahead of second place Falmouth who had 36. Beverly High finished third with 31.5, followed by Reading, 30, host Methuen, 26, and Haverhill High, 24.

Andover was paced by the mile relay team comprised of Davynne Williams, Amy Lander, Julie Burke and Barbara Cullinan who won with a time of 4:18.2. Cullinan also turned in a sharp performance in the 300 taking first at 39.7. Other strong Andover performances were turned in by Cindy Surette (fourth in the high jump at 5-2), Williams, (third in the 50-yard dash at 6.2), Lander (second in the 300, 40.9), and Burke (fourth in the 600, 1:35.9).

Methuen had two fine performances from Kathy DeCubellis who won the high jump with a leap of 5-3 and Monica Baker who turned in the best time in the state so far this year to win the 50-yard hurdles with a time of 6.9. That effort was also a new MHS and meet record.

Sherry Hughes of Pinkerton won the 50-yard dash with a time of 6.1.

Mary Schena of Haverhill was another winner in the two-mile with a time of 11:23.1. Leslie Dondoro of Haverhill also showed well with a second place finish in the shot put with a toss of 36-10 $\frac{3}{4}$ . Ann McGregor of Haverhill was fifth in that event with her toss of 33-5 $\frac{1}{2}$ . The best effort for Lawrence High was turned in by swift senior Chris Lundy, who tied a new Lancer record in the 50-yard dash with her sixth place finish at 6.4.

Methuen was fourth in the 4x880 relay and Andover was fifth.

# Hughes, Langton win medals

Ten members of the Pinkerton Academy girls' track team traveled to Methuen last Friday to take part in the sixth annual Methuen Invitational track meet for girls.

Two of the Astros came home medal winners.

Sophomore Sherri Hughes, seeded second in a field of 25 runners, won the 50-yard dash with a time of 6.1 seconds, only one-tenth of a second off the field house record.

Sherri Hughes

Hughes won both of her quarter-final heats in 6.3 seconds, setting up a final-heat showdown against 1980 winner Heidi Thomson of Falmouth and 1981 winner Davynne Williams of Andover.

Hughes came smoking out of the blocks to win the race, with Thomson second and Williams third.

"Sherri really looked great in that final heat" said coach Kathy O'Connell. "She's been working on her starts, trying to get the kinks out. It was, by far, her best performance of the season. More than one coach commented on her performance."

Junior middle-distance runner Heather Langton was seeded eighth in a field of 30, which put her in a slower heat in the 1,000 meter yard run.

Langton placed second in her heat with a time of 2:53.0, good enough to give her the sixth place medal.

"Heather is a gutsy runner who gives it her all", said O'Connell. "She still has to work on her form and upper-body strength, but it's

coming. She did a great job."

Hughes' and Langton's 11 points put Pinkerton, the only out-of-state school in the meet, fourteenth overall in a field of 28 teams. Andover won the meet.

Both Margaret Consalvi and Sharon Chadwick improved their best times in the 300 yard dash, as did Dianne Cameron in the 1,000 yard run. Amy Blenis won her heat in the 600 with a time of 1:40.

Frosh distance runners Amy Kruschwitz and Bridget Riley competed in the mile run. Running in the younger of the two heats in that event, Kruschwitz and Riley finished one-two with times of 5:49.8 and 5:49.9, respectively.

"They were out of the money as far as awards went, but they certainly ran well", said O'Connell. "They've been improving steadily as the season goes along."

Mary Sheridan and Beth Latham ran in a talent-laden two mile run, which was won by Dartmouth Relay runner-up Mary Schena of Haverhill. Sheri-

dan managed to place a respectable eighth.

The mile relay of Blenis, Chadwick, Latham and Hughes ran a season best of 4:31.4, with Chadwick running a 65.8 second 440 and Hughes a 64.4.

"The meet was superbly run", said O'Connell. "With 200 girls participating, it was very smooth and organized. Meet director Dan Moynihan and crew should be commended."

"I'm pleased with our girls' performances. Improvement is the name of the game and most of the girls improved. We watched in awe at some of the Massachusetts talent. Track is such a prestigious sport at many of their schools. This is something very evident when you see the girls on and off the track."

"It's something we're trying to create at Pinkerton, but we have a long way to go. We need more girls who are not afraid to work hard", O'Connell said.

The full Astro squad will be back in action tomorrow night with a 6 o'clock meet at the University of New Hampshire.

## Astro, Owl girls run to 2nd, 3rd in Tri-State

Pinkerton Academy and Timberlane Regional track teams finished second and third respectively in the Tri-State Meet competition among 23 girls teams from New Hampshire, Maine, and Vermont.

Pinkerton finished with 43 points behind winner Nashua (77) while Timberlane also had an impressive showing with 30 points.

Sherri Hughes led Pinkerton by setting a new Tri-State record in the 300 taking first in a blazing time of 37.8. Miss Hughes also took third in the 60-yard dash (7.3) and fifth in the 60-yard hurdles (8.7).

Heather Langton added a fourth in the 1,000 in 2:50.6 and Beth Latham took the two-mile in 11:43 while fin-

ishing third in the mile in 5:18.3. Bridget Riley ran fifth in the two-mile (12:19) and Mary Sheridan took sixth (12:21) in the same event. The Mile Relay team of (Amy Blenis, Donna Lewis, Misses Hughes, and Langton) took fifth in 4:25.3.

**TIMBERLANE** had many strong showings as well. Patsie Booker won the 600 and tied the Tri-State record in a time of 1:29.1. Lyn Burke won the long jump in 1:29.1 and set a new school record in the 300 with a fifth place finish in the 300 in 37.9. Timberlane also took second in the mile relay with the team of Misses Burke, Booker, Tracy Abel, and Cheryl Mitchel running 4:13.0.

## Astro track team ends season in style

**HANOVER** — Pinkerton Academy's girls' winter track team ended its season in style, placing second in the Tri-State Meet Saturday. There were 23 teams from New Hampshire, Maine and Vermont at the meet.

Nashua won with 77 points, while Pinkerton had 43 and Timberlane had 30 points.

Sophomore sprinter Sherri Hughes finished out a spectacular year in spectacular fashion. She won the 300 yard run with a state record time of 37.8 seconds.

Hughes also placed third in the

60-yard dash (7.3 seconds), fifth in the 60-yard hurdles (8.7) and ran a 60.1 second quarter-mile relay leg.

New Hampshire 1,000 meter run champion Heather Langton placed fourth in the 1,000 yard race Saturday. Her time was 2:50.6, the best time of any New Hampshire runner.

Senior co-captain Beth Latham ended her four-year winter track career in great fashion, winning the two-mile run in 11:43 and placing third in the mile (5:18.3).

Amy Kruschwitz took seventh in the mile while Briget Riley picked up a fifth-place ribbon in the two mile. Mary

Sheridan was sixth.

The mile relay team of Hughes, Langton, Amy Blenis and Donna Lewis took fifth place with a time of 4:25.3.

In the boys' competition, Pinkerton's Kevin Coyle was eighth in the two-mile while Andy Scott placed eighth in the mile.

Pinkerton girls' coach Katy O'Connell said she was "glad to see Beth (Latham) beat the Dartmouth jinx and go out in style. She has certainly been an instrumental part of our winter track success the last three years."

"We have some young runners, like Bonnie Chadwick, Patti Foster and

Debbie Simard, to name a few, who could become top-notch track personnel with more training. With the exception of Latham, all the Tri-state competitors will be eligible next year.

"Sherri Hughes, Heather Langton and Mary Sheridan will be our leaders on and off the track. Amy Blenis came a long way this season and Kruschwitz, Riley and Lewis are all freshmen. If these girls realize the potential that they have and train hard, Astro winter track will remain one of the top squads in the state.

"They've all had a great season and should be proud of it."

# Astros take first in quad-meet

**Durham** — Depth in the distance and middle distance events, along with a surprising four places in the 300 meter dash gave the Pinkerton girls' winter track a quad-meet win at the Paul Sweet Oval last Wednesday.

Pinkerton, with 76 points, beat Portsmouth (53 points), Winnacunnet (32 points) and Somersworth (11 points). The Astros' next meet is January 8 at 4 p.m. against Dover, Winnacunnet and Bishop Brady.

The Astros had first, second, third and fifth-place finishes in the 3,000 and 1,500 meter races.

Junior Mary Sheridan improved her time to 11:08.3 to win the 3,000. She was followed by freshmen Amy Kruschwitz and Bridget Riley and senior co-captain Dianne Cameron.

Co-captain Beth Latham took first in the 1,500 with a time of 5:14.1. She was followed by teammates Sheridan, Kruschwitz and junior Karen Flynn.

Latham also took second in the 600, followed by Amy Blenis in third.

Sophomore Sherri Hughes was the first of four Astros to cross the finish line in the 300. Hughes won the race with a time of 44.9 seconds.

Hughes was followed by Heather Langton in second, Sharon Chadwick in fourth and Margaret Consalvi in fifth. The relay of Hughes, Chadwick, Blenis and Langton placed first with a time of 4:32.4.

Pam Russell was the line bright spot for the Astros in the field events. She took second in the shot put with 26'-10½ inches. Blenis took fifth in the shot.

In junior varsity action, Kim Spoffard was first in the high jump (3'10"). Donna Lewis and Kim Zito tied for second in the hurdles.

The Astros, now 4-1, faced Exeter, West and Memorial yesterday as the Derry News went to press.

# PA girls easily win track meet

UNH 6  
22 January 1982

**Durham** — A 'cool' and rejuvenated Pinkerton Academy girls' track team got back into regular season action at the University of New Hampshire Friday night, beating Winnacunnet and Exeter in a Tri-meet.

The Astros finished with 76½ points, Winnacunnet had 24¼ and Exeter had 16¼ points. For the second time this season, Concord was a no-show.

"We had a good week's practice", said PA coach Kathy O'Connell. "We tried to shake off some of the winter doldrums. The kids were up for the meet, and it was reflected in their times."

Sophomore sprinter Sherri Hughes had a great night, taking three first-place finishes and adding a second place. She won the long jump (15'8.75", her season best), the 300 meter race (43.5 seconds, best time at UNH this year) and the 55 meter dash (7.6 seconds). She also was second in the hurdles with a season-best time of 9.1 seconds.

Heather Langton continued to improve her times, winning the 1,000 meter race in a season-best time of 3:18.2. She also was second in the 300 with a state-qualifying time of 45.3, second in the high jump (4'6") and third in the long jump (14'7½").

Beth Latham got back into form, winning the 3,000 meter race (10:57) and the 1,500 (5:15.3). Junior Amy Blenis ran her best time, winning the 600 with a time of 1:51.6, which qualifies her for the state meet.

Junior Mary Sheridan took second place in two events - the 3,000 and 1,000. Frosh Amy Kruschwitz took 12 seconds off her best time in the 1,500, finishing second with a time of 5:18.3.

Placing third for the Astros

were Bridget Riley (3,000), Dianne Cameron (1,000), Bonnie Chadwick (600, 1:56.0, her best this season), Karen Flynn (1,500, 5:30.1, season best), Donna Lewis (hurdles, 9.9 seconds, season best) and Blenis (high jump).

Fourth-place finishers for Pinkerton were Cameron (3,000), Debbie Simard (long jump, 14'7", season best), Kim Zito (dash), Kathy Smith (1,000), Blenis (300), Riley (1,500), Julie Webster and Deb Simard (tie, high jump).

The relay team of Lewis, Chadwick, Cameron and Pattie Foster took first place. Foster, along with Diana Colburn, was running her first meet of the year after an early season injury.

"It was a productive and fun night for the girls", said O'Connell. "We had some good performances and a record number of parents, friends and alumni came to support the girls. It makes it so much more worthwhile when you can see your work pay off and people are there supporting and appreciating your efforts."

The Astros have one more regular-season meet before the February 5 state meet. Friday, the squad will go against Timberlane, Spaulding, Londonderry, Concord and Alvirne. The meet ("it'll be a tough one" - O'Connell) starts at 6 o'clock at UNH.

On Sunday, three Astros participated in the New England TAC track and field championships at Boston University. The meet featured high school, college, and unattached runners from throughout New England.

Sherri Hughes placed third in the quarter-finals of the dash, advancing to the semi-finals, where she placed fourth in her heat. Hughes also ran a very respectable time of 26.2 seconds

in the 200, won by nationally-acclaimed sprinter Maxine Underwood of the Boston International Athletic Club.

Also for Pinkerton, Heather Langton had a time of 2:23.7 in the 800, while Beth Latham had a 5:37 in the mile.

# 1981: There was seldom a dull moment

By Dan Ryan  
Sports Editor

To modify an expression, there was seldom a dull moment in area sports in 1981.

The year started with the tough task of topping the events of 1980. Apparently, area athletes were up to the task.

After a slow and somewhat uneventful month of January, things started to happen shortly after Ground Hog Day. The Pinkerton Academy girls' winter track team was the first big success story of 1981. On February 6, the Astros upset runaway favorites Nashua and Portsmouth to capture the state championship, under coach Kathy O'Connell.

The first event of the day got the Astros rolling. In that event (the 3,000 meter race), Pinkerton runners took the first three places (Beth Latham, first; Karyn Tomaini, second; and Mary Sheridan, third).

From there, the Astros just kept going: Latham, Tomaini, Sheridan and Lynn Wentworth were third through sixth in the 1,500; Cheryl Chadwick and Sherri Hughes tied for second in the 300; Hughes, a freshman, won the 55 meter dash in a showdown with Spaulding's Mary Worthley; and, finally, the relay team of Chadwick, Joanne Salter, Hughes and Heather Langton set a state record.

The next day, the increasingly successful Londonderry High School track program came up with the first of its many 1981 successes. The boys' winter track team, under coach Al Halpern, took second in Class I. In that meet, Dave Burkinshaw won the 600 meter race and Kevin Blackwood won the 55 meter dash.

Two weeks later, the team traveled to Dartmouth College for the Tri-State championship meet. In a virtual repeat of the state meet, the Astros again edged Nashua and Portsmouth, winning by three points. Tomaini was the only individual champion, winning the two mile.

While the track team was running wild those few weeks, the two area girls' basketball teams were doing some pretty impressive things, too.

For Pinkerton, senior forward Mia Barry sank a last-minute free-throw to help the Astros beat Concord, 42-41, in the Class L semi-finals.

Londonderry's Lancers, meanwhile, came up with a 56-38 win over Berlin in the Class I quarter-finals.

The Lancers were led in that game by Terry Ollila and Kathy and Amy Hudson.

Both were stopped in the semi-finals at Concord. Pinkerton was beaten by Milford, 41-31. The next

night, Londonderry lost to Laconia, 61-49.

The week of March 5, the Londonderry Panther Pop Warner football organization had three teams nationally-ranked. The Mid-

gets were rated eighth.

The next week, the Calvary Christian School basketball teams won the New England Christian School League championships. For the girls, it was the third champion-

ship in a row.

In late March and early April, two Pinkerton coaches resigned.

Jim Fletcher left his position as boys' basketball coach to continue his studies, and baseball coach Jim Tagalakis took the coaching position

at New Hampshire College.

At the end of April Hoodcroft Country Club appointed Buffy Labombarda as the team's Club Pro, replacing Scott McAfee.

On May 17, Bill Killen won the annual Hoodcroft Open golf tournament.

Out in New York, two Derry men were helping the West Point lacrosse team to a surprising third-in-the-nation ranking. Sophomore Paul Cino and senior Steve Krikorian were vital players on the Army squad, which was beaten by Navy in the NCAA playoffs.

Cino was later chosen All-American for his efforts, and Krikorian was voted the team's most improved player.

In June, Londonderry High School's track program was at it again. This time, the boys' spring team took second in Class I. In that meet, Blackwood won the 100 and 200 meter races. Over in Class L, Jim Fitzgibbons, Kevin Coyle and Jim Davis of Pinkerton all qualified for the state Meet of Champions, while the Astro girls were fifth in Class L.

Pinkerton Academy's softball team, under coach Linda Royce, pulled off a few of its own miracles in 1981. The Astros won their last four games of the season to edge their way into the tournament. In the final game against Memorial, which they had to win, the Astros trailed by a score of 6-3 in the sixth, but came back for a 9-6 win.

Unfortunately, they faced a tough West team in the opening round, and lost, 7-1.

In mid-June, Cape Cod Tech's Tony Carnovale was appointed the head coach of the Pinkerton basketball team.

That same week, Pinkerton lacrosse player Todd Langton joined the long list of players to be named high school All-American. Langton is now attending Tufts University.

On June 13, Manchester's Ray Currier won the Allen Dodge Road Race.

On June 21, Jim Fitzgibbons of Windham, who had just recently graduated from Pinkerton, saw a year of hard work pay off. Fitz pulled away from the pack to win the two-day decathlon, held at Nashua High School. Fitzgibbons beat out rival Kevin Hall for the championship.

Fitzgibbons is now attending Lowell University.

In early July, the coaches kept

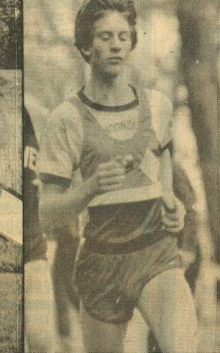

## 1981 Champions

**PINKERTON GIRLS' WINTER TRACK** - Coached by Kathy O'Connell, won the state championship at the University of New Hampshire in February. Two weeks later, the Astros won the Tri-state championship at Dartmouth College.

**LONDONDERRY HIGH SCHOOL FIELD HOCKEY** - Coached by Marcia Manseau, finally won the championship that they were so close to the previous three years. The Lancers beat Berlin in overtime for the Division AA championship.

**LONDONDERRY HIGH SCHOOL BOYS' CROSS-COUNTRY** - Coached by Larry Martin, surprised the Laconia Sachems and came away with a victory in the Class I championship. They were also the top New Hampshire team in the New England championship.

**JIM FITZGIBBONS** - The 1981 graduate of Pinkerton and Windham resident pulled away from the competition to win the 1981 state decathlon championship.

1981 WAS AN eventful year. Counter-clockwise from upper left hand corner - The Pinkerton girls' track team won the state and Tri-state championships. Co-captains Cheryl Chadwick and Janice Hastings show teammates the state championship plaque; The Astro football team surprised people by reaching the Division II championship game at Somersworth, but were beaten soundly by the 'Toppers. As Dave Garcia's formerly-white uniform shows, it was a rough day; Jim Fitzgibbons, shown taking a practice jump

in the pole vault, won the state decathlon; Tony Zdunko, 20, became the youngest club champion ever at Hoodcroft Country Club; Londonderry's boys' cross-country team, which included Bob Godin (lower right), won the Class I championship; and the Londonderry field hockey team won the Division AA championship. coming and going at Pinkerton. Boys' spring track coach Jane Shanklin announced she was leaving her coaching position. Mike Garvish was named as her replacement. Bill Seres was moved up from his job as freshman baseball coach to take over the varsity position, and John Barry resigned as lacrosse coach. Barry was replaced by Brian O'Reilly.

In late July three Pinkerton soccer players, along with coach John Mitchell, took part in New Hampshire's 3-1 Lion's Cup win over Vermont.

Mike Farrington started in goal for New Hampshire, while Scott True played much of the game at fullback and John Schlichte scored one of the Granite State goals.

That same week, the Derry Little League all-stars were moving up in the state tournament, only to see their championship hopes ended in the quarter-finals. Londonderry's all-stars, meanwhile, were runners-up in a Nashua tournament.

Derry's Babe Ruth all-stars beat Londonderry, then were beaten in the championship game by Merrimack, 3-1.

In early August, Derry golfer Kris Allen shot a miserable 83 in the opening round of the New Hampshire Women's Golf Association

Championship. Allen, a three time winner of the tournament, finished well behind the front-runners in the tourney.

On August 8 in Hanover, Pinkerton graduates Rick Michaels and Jim Davis helped New Hampshire to a 24-0 win over Vermont in the Shrine Maple Sugar game.

Michaels started at quarterback, and Davis played most of the game at defensive back.

On the week of August 20, Londonderry's Little League all-stars won the New Hampshire Independent Baseball championship, with a 14-3 final game thrashing of Nashua.

Also that week, 20-year old Tony Zdunko became the youngest ever Hoodcroft Club champion, beating Charlie Tambouris, six-and-five.

The fall season got underway in late August, with the Londonderry High School soccer team beating Pinkerton in a shoot-out in the Astro Invitational. The Lancers went on to win the jamboree.

On September 19, the Londonderry High School football team won its first-ever varsity game, 7-6, beating Exeter in overtime.

On September 26, the Pinkerton girls' cross-country team continued to dominate the Manchester Invitational, winning that meet for the fifth consecutive year.

The next week, the Astros won the Portsmouth Relays.

Pinkerton's football team won its first big game of the season on October 10, coming from behind to edge the Milford Spartans, 20-17. The Astros trailed at one point, 17-7.

On October 31, the Londonderry boys' cross-country team, under coach Larry Martin, won the Class I championship, stunning pre-meet favorite Laconia.

In Class L, Pinkerton's girls were second and the boys' team was fourth.

That same week, the Londonderry boys' soccer team was beaten by Keene, 3-0, in the opening round of the Division AA tourney. The loss ended the Lancers' season. Coached by Paul Bonneville, they had only one regular-season loss.

In the state cross-country championship, both the Londonderry boys' team and Pinkerton girls' team were third in their respective meets.

On November 5, eventual Division AA champions White Mountain beat the Pinkerton soccer team in a shoot-out in the semi-finals. Pinkerton had a 1-0 lead on a Kevin Tremblay goal, but a controversial penalty gave the Spartans a penalty kick and a goal. In the shoot-out, the Spartans scored one goal, while holding the Astros scoreless.

In the girls soccer state semi-finals, Milford beat Pinkerton, 2-0. The Astros had beaten Oyster River in the quarter-finals.

On November 13, Londonderry High School's field hockey team finally got the one thing that had been eluding them the previous three years - a Division AA championship.

The Lancers beat Goffstown in the semi-finals, then went into overtime to beat Berlin for the championship.

On November 14, Pinkerton and Laconia battled through four scoreless quarters in the Division II semi-final football game. Finally, in overtime, Pinkerton's John McKinney rammed home a field goal, giving the Astros a 3-0 win and a trip to Somersworth for the championship game.

In that game, the Somersworth 'Toppers proved that they are probably the best team in the state, beating Pinkerton soundly, 28-2.

Pinkerton trailed at the half, 28-0, in that game.

On November 22, Derry's Paul Oparowski won the 5.9 mile Turkey Trot, easily beating Manchester's Ray Currier.

That same week, Pinkerton girls' soccer coach Kathy O'Connell was chosen state coach of the year for leading the surprising Astros into the state semi-finals this year.

## Timberlane's Morsch, Central's Abbott Win Top Honors

Peggy Morsch of Timberlane Regional in Plaistow rates the selection as Coach of the Year. Manchester Central is the Team of the Year and one of its athletes, Ellen Abbott, has been chosen Athlete of the Year by the New Hampshire Winter Track Coaches.

Announcement of those selections along with all members of the State's Winter Track League All-Star Team was made by Larry Martin, chairman, NHIAA Winter Track and meet director of the New Hampshire Winter Track League.

Members of the All-Star contingent were picked for their regular-season performances along with their finishes in the state meet, explained Martin, who also coaches Londonderry High.

The background on the various selections of the winter track coaches:

### COACH OF THE YEAR

**Peggy Morsch, Timberlane:** In her second year, she led the Owls to their best winter track season ever, compiling a 23-6 regular-season mark and a fourth-place finish in the state. In her two years, Timberlane has posted a 39-14 overall record and this year, her team boasted two individual state champs. Morsch also coaches cross-country and spring track.

### TEAM OF THE YEAR

**Manchester Central:** The Little green compiled the only undefeated regular season record of 21-0, easily annexing the Manchester City

Meet for the second year in a row. Their second-place finish in the state meet is their highest ever in winter track.

### ATHLETE OF THE YEAR

**Ellen Abbott, Manchester Central:** The senior captain also was named to the All-State Team in the 3000-meter run. She set the tone for excellence during the regular campaign, posting the fastest times in four events, the 600m, 1000m, 1500m and 3000m. In the state meet, Abbott won the 3000-meter run in record time of 10:44.1 while also placing second in the 1500m and fifth in the 600m run.

### THE OTHER SELECTIONS

**Sheri Gagnon, Nashua High, 55-meter hurdles:** The senior tri-captain helped pace her team to its first winter track state title by competing and scoring in four individual events. Her personal best 8.1 time in the 55m hurdles placed second while she also was second in the 300m dash, third in the long jump and fourth in the 55m dash. Gagnon also is defending New England 100m hurdle champion in spring track.

**Robin Worthley, Spaulding, 55-meter dash:** The senior sprinter from Rochester was one of the top seeds entering the state meet in 55-meter dash and 55-meter hurdles. Her 7.3 time in the 55m dash captured second spot while her 8.1 in the 55m hurdles earned her a state record and title. She also competed in the 300m dash and

was a member of Spaulding's mile relay team.

**Sherri Hughes, Pinkerton Academy, 300-meter dash:** Only a sophomore, she is the only repeat All-State pick, last year having been named in the 55m dash. Hughes' 42.6 performance in the 300m dash this year, earned her the state title as well as establishing a state record. Hughes also captured two third-place finishes for the Astros in the 55m and 55m hurdles.

**Darcy Smith, Keene High, shot put:** Undefeated during the regular season, Smith established a state record in the shot put with her winning performance of 40 feet, 8 inches. She also reigns as state record holder and defending state champion in the shot put in spring track.

**Sara Belyea, Somersworth, high jump:** The senior posted the best jump of the regular season, clearing the bar at 5 ft., 1 inch. In the State Meet, she placed second overall with a jump of five feet. Belyea also qualified for, and competed in, the 55-meter hurdles.

**Patsy Booker, Timberlane, 600-meter run:** The junior sprinter is in her third competitive season. Moving up to the 600-meter run for the first time this season, Booker's 1:41.6 first-place performance set a state record. Booker also qualified for, and competed in, the 300m dash as well as being a member of the Owls' mile relay team.

**Leslie Nichols, Exeter, 1000-meter run:** During the regular season, Nichols proved to be a

versatile performer as she ran and qualified in four individual events for the Blue Hawks, the 300m dash, 600m run, 1000m run and 1500m run. In State Meet competition, her season best time of 3:09.6 placed second overall in the 1000m. She also competed in the 300m dash.

**Beth Latham, Pinkerton Academy, 1500-meter run:** Last year's 3000-meter state champ, she again ranked among the top distance runners during the regular season in the 1500m and 3000m runs. In the State Meet, she ran season-best times in both events while capturing fourth in the 1500m and second in the 3000m.

**Mile Relay Team, Nashua High:** Lisa Laford, Reta Laford, Denise Gregoire, Maria Peahl, Sheri Gagnon and Cecelia Kindgren all share in the honor of the Purple Panthers being named All-State Mile Relay Team. Nashua utilized all six girls to post the fastest time in the state this season, a 4:13.3, as well as placing second in the State Meet running their fastest time ever on the UNH track, a 4:19.3.

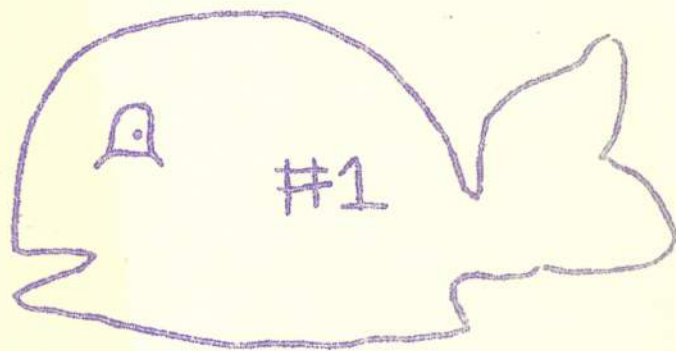

**Cecilia Kindgren, Nashua High, long jump:** The junior exchange student from Sweden was welcomed addition to the Purple Panthers the past season. Posting the best jump of the regular season of 17 feet, 5 inches, she was the top seed going into the State Meet where her jump of 17 feet, four-and-one-half inches was second overall while her 7.2 performance in the 55-meter dash captured first-place honors and a state record.

#### SEASON COMMENTS:

-it took a while for 27 of you to "click" but we finally did with our "cool" night at UNH.  
-VETS: you knew what WT was all about and you decided to return to what is perha the hardest sport to participate in at PA. BE PROUD OF YOU ACHIEVEMENTS AND BE PROUD OF YOURSELVES.  
- NEW TRACKSTERS: Now you know what WT is all about; a cold English wing, ramps weights, stairs, some wacky kids, some long Friday nights, DEDICATION, HARD WORK, PRIDE IN OUR PROGRAM.  
- EVERYONE: ...and what do you get??? PERSONAL SATISFACTION: to be able to say "I did it" whether it be a first place, an improved time or distance, is a great thing. PHYSICAL FITNESS: some of you were in the best shape you've been in in a LONG time!!! DISAPPOINTMENT: you can't always win, be first, no matter what you do. Some of you will never be the "best" at an event but...you tréss and that is more than MANY can say. FRIENDS: you get to meet a variety of different kids. All of us are not the best of friends. As a metter of fact, many of the girls do not "hang around" with each other during and/or after the season. They are individuals who don't need their best friends around to be able to participate in something. So many kids missed the opportunity to do something and really shine on their own because "My friends aren't doing it" BIG DEAL. It's always nicer to have your friends around but...you are you and the sooner you realize your own value the better off you'll be! Sherri, Heather, Beth, Diane etc. all have different "Crowds" they hang around with but they are teammates in the true sense of the word. They respect each other and work hard for themselves and each other. This is something very special. The forementioned girls all have talent, inner talent or they would never do as well as they do. Some of you will never reach the levels they have or the levels they will be striving for next year along with Mary, Bridget, Amy K and B etc etc but...don't cut yourself short. You'll never know until you try! We had just as many state Champs as any team up at UNH! What we didn't have was the Depth needed to "win it all". the 4ths and 5ths are SO valuable and in many cases just as valuable.

I can't be responsible for what you do in your training and on your own time. Training is a constant thing. All I know is that COMBINED, the state qualifiers had a total of 5 missed practices!!! (and that includes vacation, college inter-views etc etc.) That's 7 into 5, ladies!!! That's not to say that there were not days they would have preferred to be at home on the couch watching GH but... they were doing what has to be done to be good. YOU people make the team, YOU provide the laughs and the "little things" that break up a day, a week, a season. We have to "pick up" next season in the line of team spirit-on your part! I realize it's hard when 1/3 of the group are senior and 1/3 fresh but... We'll work on it for next year and speaking of...

NEXT YEAR: It's your decision to return to WT or not. You know what it is all about. You know it's not easy and even harder to be successful at. Many of you will find a sheet of personal comments attached that might help you decide. But... if you are not ~~scared~~ afraid of hard work, a challenge, have confidence in yourself and your team, plan to be part of WT 1982-83. Look at the list of girls eligible to return! All state qualifiers except Beth. This included two State Champs in Hether and Sherri, the only fresh to score in state comp., Bridget, two highly regarded distance girls in Mary and Amy K, two members of the tri state relay team, Amy B and Donna... plus many girls who CAN be a part of the State delegation. How far was Bonnie away? 2 seconds! Donna Lewis in the hurdles? .1 seconds!! Karen Flynn? .1 seconds!! What could Debbie Simard do with total dedication and hard work in the long and high?? Patti and Diana with a full season behind them??

That is not to say all these girls will be back. I'm just "telling you like it is" I could go on and on about POTENTIAL but you people have to be the ones that make POTENTIAL into reality.

I make no secret of the fact that I was GREATLY bothered by the fact that so many girls from the 1981 team did not come back. It is something I will not forget for a LONG time. Not the fact that they didn't come back, the fact that I was not given the common courtesy of being told about it!. If you do not want to run next year, fine. NO PROBLEM. Just have the common courtesy to let me know.

GIVE WT A CHANCE. GIVE YOURSELF A CHANCE.

1982-83 PLANS:

WE have two major projects set up for WT next year:

1) A Parents Night Meet. Similar to what we do in Varsity Soccer. We are going to make it a "classy" affair for our parents who generally are our number one supporters. THIS IS A DEFINITE PROJECT.

2) #2 is a little more tentative but something I am pretty sure we WILL do A TRIP TO NY CITY TO THE MILROSE GAMES. The Milrose games are the "World Series" of indoor track where the Evelyn Ashford, Chandra Cheeseboroughs "Skeets" Neimiah, Mary Decker-Tabb's run and we are going to do our best to be there. I will be spending time this spring figuring out costs and getting info on the meet so we know how much we have to raise. Right now I am thinking of it as a trip for State Qualifiers and another thought was state qualifiers and seniors etc. etc. I haven't decided yet. If we have room we can fill on a first come first serve basis. WHAT I AM SAYING TO YOU IS THIS...IF WE HAVE TO LIMIT IT TO STATE QUALIFIERS THEN YOU PLAN ON BEING ONE!!!!!!!!!!!! I WILL BE CONTACTING YOU LATE IN THE SPRING IF WE DECIDE TO GO WITH A FUND RAISER IN JUNE.

LASTLY...WE NEED PEOPLE IN ALL EVENTS FOR NEXT YEAR. BE A WT SUPPORTER AND ENCOURAGE OTHERS THAT YOU KNOW WILL HELP US TO COME OUT FOR THE TEAM. IF YOU DECIDE THAT IT'S NOT FOR YOU THEN SO BE IT BUT PLEASE DO NOT "BAD MOUTH" US JUST BECAUSE YOU'VE HAD A CHANGE OF HEART. ENCOURAGE THE GOOD ATHLETES, THE GOOD KIDS TO COME OUT.

WE THINK DIANE AND BETH FOR THEIR LEADERSHIP THIS PAST SEASON. THEY WILL BE MISSED ALONG WITH THE OTHER SENIORS.

WE THANK MS. SHEPARD AND MRS. KICKS FOR THEIR HELP AND SUPPORT THIS PAST SEASON. THEY ARE THE ONES THAT ARE SO KNOWLEDGABLE IN THE "SPECIFICS" AND GIVE TO THE TEAM THE EXPERTISE NEEDED.
